The Christian Family Library Volume 9 Christian Basics:

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977 The Christian Wordsworth, 1798-1805 William A. Ulmer,2001-10-18 Recent scholarship on the British Romantic poet William Wordsworth usually depicts him as a secular humanist during the years of his creative ascendancy In The Christian Wordsworth 1798 1805 William A Ulmer challenges this consensus by arguing that Wordsworth never abandoned his faith in a supernatural Deity and that the poet s theism included important Christian sympathies as early as 1798 By tracing the changes in Wordsworth s religious beliefs from the early secular period to the later Anglican period Ulmer reconstructs the strategic indirections by which the poet s faith shapes his major poems In readings of *The Ruined Cottage* the Pedlar narrative *Tintern Abbey* the *Prospectus* the *Ode The Prelude* and other texts Ulmer presents a poet increasingly determined to stage the prophetic revelations of his poems against carefully established Christian backgrounds Through this revisionary traditionalism Wordsworth attempts to preserve England s Christian heritage by adapting it to modern needs Revisionary in its own right Ulmer s book provides an innovative perspective on Romantic natural supernaturalism and on William Wordsworth s religious poetics and intellectual development *Introducing Christian Ethics* Samuel Wells,Ben Quash,2010-02-22 This comprehensive textbook redefines the field of Christian Ethics highlighting distinctions between ethical approaches and offering thoughtful insights into the complex moral challenges facing people today Redefines the field of Christian ethics along three strands universal ethics for anyone subversive ethics for the excluded and ecclesial ethics for the church Offers students substantially more than many texts most of which focus solely on issues approaches or key figures in Christian ethics this books covers all Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office,1976 A Tidy Faith Jonathan F. Bayes,2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing prooftexts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office,1977 *Reading Becomes a Necessity of Life* William J. Gilmore,1992-08 Gilmore history Stockton State College is concerned with the half century following independence during which rural New England changed from a traditional agricultural region into a commercialized one He examines the links among cultural social and economic aspects of this transformation an ingredient of which was an ideological commitment to reading and
