Wolfe,2011-11-01 This lively commentary encompasses four major books focusing on women in the Hebrew Bible and Apocrypha Each section in the volume addresses the biblical text in detail and draws connections from the world of ancient audiences to that of present day readers Wolfe's research is motivated by the usual inquiries of biblical scholarship as well as

the questions raised by the many church Bible study groups she has taught Clergy and laity students and scholars will benefit from these contemporarily relevant reflections on Ruth Esther Song of Songs and Judith Ruth The foreign widow who sneaks onto the nighttime threshing floor to find survival for herself and her devastated mother in law Esther The Jewish orphan turned queen who turns Persian banqueting on its head in an effort to defend her people Song of Songs The proud and alluring lover who claims her sexuality as her own and joyfully shares it with her beloved Judith The pious and beautiful widow who lets the enemy commander's appetite become his downfall in order to save her besieged city This volume is an opportunity to engage these women's suspense filled stories which have sustained faith communities since ancient times

K. Alexander, 2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It's a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God's hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end *Veiling Esther, Unveiling Her Story* Adam J. Silverstein, 2018-10-24 *Veiling Esther Unveiling Her Story* The Reception of a Biblical Book in Islamic Lands examines the ways in which the Biblical Book of Esther was read understood and used in Muslim lands from ancient to modern times It focuses on case studies covering works from various periods and regions of the Muslim world including the Qur'an pre modern historical chronicles and literary works the writings of a nineteenth century Shia feminist a twentieth century Iranian encyclopaedia and others These case studies demonstrate that Muslim sources contain valuable materials on Esther which shed light both on the Esther story itself and on the Muslim peoples and cultures that received it Adam J Silverstein argues that Muslim sources preserve important pre Islamic materials on Esther that have not survived elsewhere some of which offer answers to ancient questions about Esther such as the meaning of Haman's epithet in the Greek versions of the story the reason why Mordecai refused to prostrate before Haman and the literary context of the plot of the eunuchs to kill the Persian king Throughout the book Silverstein shows how each author's cultural and religious background influenced his or her understanding and retelling of the Esther story In particular he highlights that Persian Muslims and Jews were often forced to reconcile or choose between the

conflicting historical narratives provided by their religious and cultural heritages respectively
