Redmon, 2002-11 Provides advice for achieving peak sexual performance for both men and women covering such topics as Viagra sexual dysfunction sexual disorders natural stimulants and diet and exercise **The Aphrodisiac Encyclopaedia** Mark Douglas Hill, 2012-04-24 The perfect gift for Valentine's day practical simple and sensuous recipes to unleash the lover in all of us Mark Douglas Hill has spent a lifetime in pursuit of foods that encourage friskiness and enhance the frisking In search of the ultimate aphrodisiac dishes over the years he has researched and refined trialed and tested ingredients and recipes from all over the world This compendium of culinary come ons is the legacy of his unceasing quest The Aphrodisiac Encyclopaedia is a veritable cornucopia of titillating titbits from liquorice to lobster figs to foie gras and mango to mint Along with mouth watering tempting recipes each entry is packed with diverse and diverting fact historical literary biological and psychological and the aphrodisiac and amorous qualities of each ingredient examined and appraised This Valentine's cook up a steamy dinner for the man or woman in your life with The Aphrodisiac Encyclopaedia **The Clash of Fundamentalisms** Tariq Ali, 2020-05-05 The aerial attacks on the Pentagon and the World Trade Center a global spectacle of unprecedented dimensions generated an enormous volume of commentary The inviolability of the American mainland breached for the first time since 1812 led to extravagant proclamations by the pundits It was a new world historical turning point The 21st century once greeted triumphantly as marking the dawn of a worldwide neo liberal civilization suddenly became menaced The choice presented from the White House and its supporters was to stand shoulder to shoulder against terrorism or be damned Tariq Ali challenges these assumptions arguing instead that what we have experienced is the return of History in a horrific form with religious symbols playing a part on both sides Allah's revenge God is on Our Side and God Bless America The visible violence of September 11 was the response to the invisible violence that has been inflicted on countries like Afghanistan Pakistan Iraq Saudi Arabia Egypt Palestine and Chechnya Some of this has been the direct responsibility of the United States and Russia In this wide ranging book that provides an explanation for both the rise of Islamic fundamentalism and new forms of Western colonialism Tariq Ali argues that many of the values proclaimed by the Enlightenment retain their relevance while portrayals of the American Empire as a new emancipatory project are misguided Aphrodisiacs Peter V. Taberner, 2012-12-06 The planning and writing of this book has taken rather longer than I had originally intended what began as a modest literary project for two second year medical students has expanded over eight years to become a complete book The subject matter lent itself all too easily to a sensationalist approach yet on the other hand a strictly scientific approach would probably have resulted in a dull dry text of little interest to the general reader I have therefore attempted to bridge the gap and make the book intelligible and entertaining to the non specialist but at the same time ensuring that it is factually correct and adequately researched for the scientist or clinician I have always been impressed by Sir J G Frazer's

introduction to his classic book *The Golden Bough* in which he apologizes for the fact that an article originally intended merely to explain the rules of succession to the priesthood of Diana at Aricia had expanded over a period of thirty years to twelve volumes The present work cannot pretend to such heady levels of academic excellence
