Arrested Development Bolaji Akinola, 2012 Arrested Development takes a hard look at the state of Nigeria s shipping sector and concludes that the sector has failed to live up to expectation Inconsistent government policies mediocrity poor planning and a general lack of understanding of the role of shipping in national development have all contributed to the sorry state of the shipping sector The author traced the history of Nigeria s shipping sector from the precolonial era to the present time and concludes that a lot more needs to be done if meaningful development of the sector is to be attained

International Journal of Economic and Political Integration , New Directions in Norwegian Maritime History Lewis R. Fischer, Even Lange, 2011 This book is a wide reaching study of Norwegian maritime history and developments within the discipline It brings together the research efforts of a University of Oslo project aiming to further understand Norwegian shipping history between 1814 and 2014 and the work of a new generation of maritime historians Structured into three sections global integration political issues and success and failure the volume covers a broad range of maritime topics that have influenced both Norwegian economic development and Norwegian cultural identity Through analysis it discovers that in

the last few decades Norwegian shipping has been plagued by multiple troubles whilst simultaneously becoming less crucial to the Norwegian economy in favour of offshore petroleum production However it reiterates the historical importance of shipping to the economic development of Norway and asserts that historians have begun to treat it as the centre from which other industries grew
