The Carnal Prayer Mat An Erotic Chinese Fable:

The Carnal Prayer Mat Yu Li,1990 In the three hundred years since its initial publication Li Yu's *The Carnal Prayer Mat* has been widely read in China where it is recognized as a benchmark of erotic literature and currently enjoys the distinction of being a banned in Beijing classic The story centers on Scholar Vesperus a handsome orphan and student of Zen Before taking his monastic vows Vesperus embarks on a career of licentiousness His adventures as hero of the boudoir a champion of sex take both comic and calamitous turns until eventually he attains enlightenment on the carnal prayer mat *The Fountainhead of Chinese Erotica* Charles R. Stone,2003-03-31 The *Lord of Perfect Satisfaction* Ruyijun zhuan a short work of fiction from the early sixteenth century tells the story of the Tang dynasty's notorious Wu Zetian the only woman to rule as emperor of China It is famous not for the history it relates but for its graphic sexual descriptions the first ever in a Chinese novel purportedly given from a woman's point of view Despite its renown and unmistakable influence on later writing the origins and significance of the Ruyijun zhuan have never been explored in any language and until now it has never been translated Its date of composition is unknown its author unidentified One of its earliest appraisals written by a contemporary scholar known for his conservatism maintains that the Ruyijun zhuan is a moral work notwithstanding its sexual content Combining a complete translation with a detailed and far ranging study of the text *The Fountainhead of Chinese Erotica* places this important cultural document into historical context and offers possibilities on its meaning **Homoerotic Sensibilities in Late Imperial China** Cuncun Wu,2004 *Homoerotic Sensibilities in Late Imperial China* is the richest exploration to date of late imperial Chinese literati interest in male love Employing primary sources such as miscellanies poetry fiction and flower guides Wu Cuncun argues that male homoeroticism played a central role in the cultural life of late imperial Chinese literati elites Countering recent arguments that homosexuality was marginal and disparaged during this period the book also seeks to trace the relationship of homoeroticism to status and power In addition to historical portraits and analysis the book also advances the concept of sensibilities as a method for interpreting the complex range of homoerotic texts produced in late imperial China **Encountering China's Past** Lintao Qi,Shani Tobias,2022-04-12 This book features articles contributed by leading scholars and scholar translators in Translation Studies and Chinese Studies from around the world Written in English the articles examine the translation of classical Chinese literature from classics to poetry from drama to fiction into a range of Asian and European languages including Japanese English French Czech and Danish The collection therefore provides a platform for readers to make comparative and critical readings of scholarship across languages cultures disciplines and genres With its integration of textual and paratextual materials this collection of essays is of potential interest to not only academics in the area of Translation Studies Chinese Studies Literary Studies and Intercultural Communications but it may also appeal to communities outside the academia who simply enjoy reading about literature **Falling in Love** ,2006-05-31 Falling in love with all its accompanying problems was a subject of obsessive

interest among writers and readers in the Ming Dynasty when society held strictly to arranged marriages The stories in this engaging collection all deal with this theme in very different ways sometimes comically sometimes tragically They portray young people choosing their own lovers resorting to ingenious stratagems and risky escapades in defiance of contemporary mores Chosen to represent the best works from the great age of the vernacular story they offer an admirable introduction to the world of Chinese fiction in this era All of the stories in *Falling in Love* have been translated especially for this volume and most appear here in translation for the first time They are taken from two works *Constant Words to Awaken the World* Xing shi heng yan and a related collection *The Rocks Nod Their Heads* Shi dian tou both published in the early seventeenth century

Banquet is a lively landmark tribute to the pleasures and mysteries of Chinese cuisine **Rewriting the Orient** Yunfei Bai, 2024-03-15 In this ambitious volume Yunfei Bai delves into the creative adaptations of classical Sanskrit Chinese and Tibetan literary texts by four renowned nineteenth and early twentieth century authors in France and Argentina Thophile Gautier St phane Mallarm Victor Segalen and Jorge Luis Borges Without any knowledge of the source languages the authors crafted their own French and Spanish retellings based on received translations of these Asian works Rewriting the Orient not only explores the so far untapped translation rewriting continuum to trace the pivotal role of Orientalism in the formation of a singular corpus of world literature that goes beyond the Anglophone canon but also sheds light on a wide range of innovative discursive strategies that readily challenge traditional notions of cultural appropriation The Cosmopolitan Dream Derek Hird, Geng Song, 2018-09-06 The Cosmopolitan Dream presents the broad patterns in the transformations of mainland Chinese masculinity over recent years covering both representations in film fiction and on television and the lived experiences of Chinese men on four continents Exposure to transnational influences has made Chinese notions of masculinity more cosmopolitan than ever before yet the configurations of these hybrid masculinities retain the imprint of Chinese historical models With the increasing interconnectivity of markets around the world the hegemonic mode of manhood is now a highly mobile transnational business form of masculinity However the fusion of this kind of cosmopolitanism with Chinese characteristics has not diminished the conventional class and gender privileges for educated men On the other hand the traditionally prized intellectual masculinity in Chinese culture which did not hold commerce in high regard has reconciled with today's business values Together these factors shape the outlook of the contemporary generation of Chinese elites At the same time globalization has increased the cross country mobility of blue collar Chinese men who may possess a masculine ideal that is different from their white collar counterparts Therefore it is important to examine various types of masculinity with the recent reform era mainland Chinese migration The migrant man whether he is a worker student pop idol or writer all cases studied in this volume could face challenges to his masculinity based on his race class intimate partners or fatherhood The strategies adopted by the Chinese men to reinvent their masculine identities in these stories offer much insight into the complex connections between masculinity and the rapid socioeconomic developments of postsocialist China The Cosmopolitan Dream provides a rich and multidisciplinary window into how Chinese masculinities are both shaping and being shaped by a new era of globalization one in which circulations of Chinese capital images and people play an ever more important role This is an insightful and engaging work that makes important contributions to the study of media gender migration and globalization more broadly John Osburg University of Rochester A pioneering contribution toward understanding transnational Chinese masculinities Covering both imagined representations and the actual experience of migrating Chinese men this volume is definitely greater than the sum of its parts in conveying the contents and significance of cosmopolitanism to Chinese masculinities Harriet Zurndorfer Leiden University *Reading China [electronic resource]*

Daria Berg, 2007 This volume develops a new style of reading Chinese sources as pioneered in Chinese Studies by Professor Glen Dudbridge providing fascinating new insights into Chinese literature history and popular culture The analysis of self fashioning representation and political propaganda sheds new light on Chinese perceptions of the world Dreams in Chinese Fiction Johannes D. Kaminski, 2024-06-07 This book considers the contemporary political formula of the Chinese Dream in the light of the treatment of dreams in Chinese literary history since antiquity Sinic literary and philosophical texts document an extensive spectrum of dream possibilities starting with Zhuangzi's eminent butterfly dream an early example of the inversion of the dreamer's reality through to confusing visions of the spiritual realm In classical dramas novels and ghost stories dreams see the earthly realm enter into conflict with higher realms of existence They indulge the dreamer's quest for sensual pleasures but then spiritual beings relentlessly harvest the dreamer's life energy Dreams promise spiritual enlightenment only to abandon the dreamer in a state of utter confusion In the early twentieth century traditional dream knowledge is abandoned in favour of Freudian episodes of sexual repression In this context the collective national dream emerges as an unexpected vehicle of the pained individual's hope for national rejuvenation *Translation Review*, 1998
