## **The Case For Israel:**

*The Case for Israel* Alan Dershowitz, 2011-01-06 The Case for Israel is an ardent defense of Israel's rights supported by indisputable evidence Presents a passionate look at what Israel's accusers and detractors are saying about this war torn country Dershowitz accuses those who attack Israel of international bigotry and backs up his argument with hard facts Widely respected as a civil libertarian legal educator and defense attorney extraordinaire Alan Dershowitz has also been a passionate though not uncritical supporter of Israel

**THE CASE FOR ISRAEL** Richard V. Barnett, 2020-10-16 The blatant conspiracy by the world governments to deny a certain group of people of their history heritage and legacy is the biggest crime that has ever been committed in the history of the world For years the political powers along with some of the most influential church leaders in the world have been a part of a major cover up to keep the Hebrew people in a state of mental and spiritual bondage that began way before the early years of the slave trade To the general reader the Hebrew people are the Chosen first fruit of The Most High they have been persecuted raped sold into slavery murdered and oppressed and all because they are the chosen people of The Most High These are just some of the issues surrounding the Hebrews today this book will explore what is the true purpose of the Hebrew Israelites and how they are beginning to wake up to and deal with their true identity today This book also explores how The Most High is carefully placing his people back into the natural position as the rulers of the earth and how that he has planned for them to lead other nations way before they became disobedient by not following his laws statutes and commandments

**The Case for Peace** Alan Dershowitz, 2011-01-06 In *The Case for Peace* Dershowitz identifies twelve geopolitical barriers to peace between Israel and Palestine and explains how to move around them and push the process forward From the division of Jerusalem and Israeli counterterrorism measures to the security fence and the Iranian nuclear threat his analyses are clear headed well argued and sure to be controversial According to Dershowitz achieving a lasting peace will require more than tough minded negotiations between Israelis and Palestinians In academia Europe the UN and the Arab world Israel bashing and anti-Semitism have reached new heights despite the recent Israeli Palestinian movement toward peace Surveying this outpouring of vilification Dershowitz deconstructs the smear tactics used by Israel haters and shows how this kind of anti Israel McCarthyism is aimed at scuttling any real chance of peace

[The Classical Liberal Case for Israel](#) Walter E. Block, Alan G. Futerman, 2021-11-02 This book offers a unique perspective on the State of Israel based on classical liberalism both on a historical and theoretical level Specifically it makes a classical liberal and libertarian analysis based upon homesteading and private property rights to defend the State of Israel As such this work explores the history of the Jewish State both to provide a positive case for its right to exist and to clarify the myths surrounding its origin and development At the same time it deals with other relevant related subjects such as the complex situation between Israel and the Palestinian Arabs the military campaigns against the Jewish State the connection between anti Zionism and anti-Semitism and Israel's economic miracle The thorough analysis

presented in this work intends to show not only why the voices and movements against Israel are wrong including the Boycott Divestment and Sanctions movement BDS but more importantly why Israel is an example of human flourishing and freedom that every advocate for liberty should celebrate The Classical Liberal Case for Israel makes the practical and moral case for Israel It is based on truths and facts that need to be repeated over and over Block Futerman understand that the only way to defeat a big lie is with a big truth Benjamin Netanyahu Prime Minister of the State of Israel Jerusalem Israel Classical Liberalism often associated with the spread West from Northern Europe in creating free nations is argued here as applying to Israel with ancient roots in the principles of human freedom Vernon L Smith Ph D Nobel Prize in Economic Sciences 2002 and Professor George L Argyros Endowed Chair in Finance and Economics Professor of Economics and Law Smith Institute for Political Economy and Philosophy at Chapman University

**The Case Against Israel** Michael Neumann, 2005 A measured but relentless assessment of the long struggle between Zionists and Palestinians

**Israel, the Case for Admission to the United Nations** Abba Solomon Eban, 1949

**The Case Against Israel's Enemies** Alan Dershowitz, 2008-09-29 Israel is seriously under attack from political academic religious and military enemies who are making vociferous threats against its continued existence In this important new book Dershowitz gives pro Israel supporters the ammunition necessary to defend themselves

*The Case for Sanctions Against Israel* Audrea Lim, 2012-05-02 In July 2011 Israel passed legislation outlawing the public support of boycott activities against the state corporations and settlements adding a crackdown on free speech to its continuing blockade of Gaza and the expansion of illegal settlements Nonetheless the campaign for boycott divestment and sanctions BDS continues to grow in strength within Israel and Palestine as well as in Europe and the US This essential intervention considers all sides of the movement including detailed comparisons with the South African experience and contains contributions from both sides of the separation wall along with a stellar list of international commentators

**The Case for Israel** Alan M. Dershowitz, 2003-08-01 One of America's leading attorneys offers an impassioned defense of the state of Israel arguing that although the country is not perfect it remains the only outpost of democracy in the Middle East answering critics who accuse Israel of being an imperialist power and documenting the facts about the nature of the conflict between Israel and the Palestinians 150 000 first printing
