The Chicago Renaissance In American Letters A Critical History

Joan Shelley Rubin

The Chicago Renaissance In American Letters A Critical History:

The Chicago Renaissance in American Letters Bernard Duffey, 1956 The Chicago Renaissance in American Letters; a Critical History Bernard I 1917-1994 Duffey, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Chicago Renaissance in American Letters* Bernard I. Duffey, 1954 Account of the contribution of Chicago writers to the tradition of American literature mainly during the years 1900 1930 The Chicago Renaissance in American Letters Bernard Ingersoll DUFFEY, 1954 **The Chicago Renaissance in American Letters** Bernard I. Duffey, 1977 *The Chicago Renaissance in American Letters* Bernard Duffey, 1954 The Chicago Renaissance in American Letter a Critical History Bernard I. Duffey, 1972 *The Oxford Critical and Cultural History of Modernist Magazines* Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism *Encyclopedia of the Chicago Literary Renaissance* Jan Pinkerton, Randolph H. Hudson, 2009 The Chicago Renaissance began in the early 1900s and lasted until approximately 1930 The leading writers of the period including Theodore Dreiser Sister Carrie **Dictionary of Midwestern Literature, Volume Two** Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature **Independent Intellectuals in the United States, 1910-1945** Steven Biel, 1995-02 A new intellectual community came together in the United States in the 1910s and 1920s a community outside the universities the professions and in general the established centers of intellectual life A generation of young intellectuals was increasingly challenging both the genteel tradition and the growing division of intellectual labor Adversarial and anti professional they exhibited a hostility to boundaries and

specialization that compelled them toward an ambitious and self-conscious generalism and made them a force in the American political literary and artistic landscape. This book is a cultural history of this community of free-lance critics and an exploration of their collective effort to construct a viable public intellectual life in America. Steven Biel illustrates the diversity of the body of writings produced by these critics whose subjects ranged from literature and fine arts to politics, economics, history, urban planning, and national character. Conceding that significant differences and conflicts did exist in the works of individual thinkers, Biel nonetheless maintains that a broader picture of this vibrant culture has been obscured by attempts to classify intellectuals according to political or ideological persuasions. His book brings to life the ways in which this community sought out alternative ways of making a living, devised strategies for reaching and engaging the public, debated the involvement of women in the intellectual community, and incorporated Marxism into its evolving search for a decisive intellectual presence in American life. Examined in this lively study are the role and contributions of such figures as Randolph Bourne, Max Eastman, Crystal Eastman, Walter Lippmann, Margaret Sanger, Van Wyck Brooks, Floyd Dell, Edmund Wilson, Mable Dodge, Paul Rosenfeld, H. L. Mencken, Lewis Mumford, Malcolm Cowley, Matthew Josephson, John Reed, Waldo Frank, Gilbert Seldes, and Harold Stearns.

Constance Rourke and American Culture Joan Shelley Rubin, 1980. The career of Constance Rourke (1885-1941) is one of the richest examples of the American writer's search for a usable past. In this first full-length study of Rourke, Joan Shelley Rubin establishes the context for Rourke's defense of American culture, the controversies that engaged her, the books that influenced her thinking, the premises that lay beneath her vocabulary. With the aid of Rourke's unpublished papers, the author explores her responses to issues that were compelling for her generation of intellectuals: the critique of America as materialistic and provincial, the demand for native traditions in the arts, the modern understanding of the nature of culture and myth, and the question of a critic's role in a democracy. Rourke's writings demonstrate that America did not suffer, as Van Wyck Brooks and others had maintained, from a damaging split between high brow and low brow, but was rather a rich, unified culture in which the arts could thrive. Her classic *American Humor* (1931) and her biographies of Lotta Crabtree, Davy Crockett, Audubon, and Charles Sheeler celebrate the American as mythmaker. To foster what she called the possession of the national heritage, she used an evocative prose style accessible to a wide audience and depicted the frontier in more abstract terms than did other contemporary scholars. Her commitment to social reform, acquired in her youth and strengthened at Vassar in the Progressive era, informed her sense of the function of criticism and guided her political activities in the 1930s. Drawing together Rourke's varied discussions of popular heroes, comic lore, literature, and art, Rubin illuminates the delicate balances and sometimes contradictory arguments underlying Rourke's description of America's cultural patterns. She also analyzes the way Rourke's encounters with the ideas of Van Wyck Brooks, Ruth Benedict, Jane Harrison, Bernard DeVoto, and Lewis Mumford shaped her view of America's achievements and possibilities. Rourke emerges not simply as a follower of Brooks or as a colleague of DeVoto, nor even as an antiquarian or folklorist. Rather, she assumes

her own unique and proper place as a pioneer who more than anyone else of her day boldly and eloquently showed Americans that they had the resources necessary for the future of both art and society By placing Constance Rourke within the framework of a debate about the nature of American culture the author makes a notable contribution to American intellectual history Originally published in 1980 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Struggle Stanisław Szukalski, 2001 An overview of the art of Stanisław Szukalski Szukalski 1893 1987 was one of the great sculptors of the 20th Century Due to geopolitical upheavals in his native land Poland a large proportion of his work was destroyed Yet thanks to the efforts of a group of dedicated art patrons art critics and personal acquaintances the work of Szukalski is being rediscovered This is the first critical view of his work published since 1923 and contains writings drawings and photographs of his sculpture

Spoon River America Jason Stacy, 2021-05-11 From Main Street to Stranger Things how poetry changed our idea of small town life A literary and cultural milestone Spoon River Anthology captured an idea of the rural Midwest that became a bedrock myth of life in small town America Jason Stacy places the book within the atmosphere of its time and follows its progress as the poetry took root and thrived Published by Edgar Lee Masters in 1915 Spoon River Anthology won praise from modernists while becoming an ongoing touchstone for American popular culture Stacy charts the ways readers embraced debated and reshaped Masters's work in literary controversies and culture war skirmishes in films and other media that over time saw the small town as idyllic then conflicted then surreal and as the source of three archetypes populist elite and exile that endure across the landscape of American culture in the twenty first century A wide ranging reconsideration of a literary landmark Spoon River America tells the story of how a Midwesterner's poetry helped change a nation's conception of itself

Reimagining Greek Tragedy on the American Stage Helene P. Foley, 2014-06-26 This book

explores the emergence of Greek tragedy on the American stage from the nineteenth century to the present. Despite the gap separating the world of classical Greece from our own, Greek tragedy has provided a fertile source for some of the most innovative American theater. Helene P. Foley shows how plays like *Oedipus Rex* and *Medea* have resonated deeply with contemporary concerns and controversies over war, slavery, race, the status of women, religion, identity, and immigration. Although Greek tragedy was often initially embraced for its melodramatic possibilities by the twentieth century, it became a vehicle not only for major developments in the history of American theater and dance but also for exploring critical tensions in American cultural and political life. Drawing on a wide range of sources, archival, video, interviews, and reviews, *Reimagining Greek Tragedy on the American Stage* provides the most comprehensive treatment of the subject available. **The Cambridge History of American Modernism** Mark Whalan, 2023-07-20 The *Cambridge History of American Modernism* examines one of the most innovative periods of American literary history. It offers a comprehensive account of the forms, genres, and media that characterized US modernism; coverage ranges from the traditional, such as short stories, novels, and poetry, to the new media that shaped the period's literary culture, such as jazz, cinema, the skyscraper, and radio. This volume charts how recent methodologies, such as ecocriticism, geomodernism, and print culture studies, have refashioned understandings of the field and attends to the contestations and inequities of race, sovereignty, gender, sexuality, and ethnicity that shaped the period and its cultural production. It also explores the geographies and communities wherein US modernism flourished, from its distinctive regions to its metropolitan cities, from its hemispheric connections to the salons and political groupings that hosted new cultural collaborations. *The Oxford Encyclopedia of American Literature* Jay Parini, 2004 The *Encyclopedia of American Literature* gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the *Encyclopedia* lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail, with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and biographical works about the writer. Fifty entries on major works, such as *Moby-Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, and *Beloved*, place the work in its historical context and offer a range of possibilities with regard to critical approach. The *Encyclopedia* also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross-references helps readers locate information with ease. The *Encyclopedia of American Literature* is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source, and readers interested in American literature, its authors, and its connection with various areas of study.

Whispering the Techniques of Language: An Mental Journey through **The Chicago Renaissance In American Letters A Critical History**

In a digitally-driven world wherever displays reign supreme and quick interaction drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within phrases usually get unheard. While this might not be the The Chicago Renaissance In American Letters A Critical History full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Chicago Renaissance In American Letters A Critical History eBooks, including some popular titles.

FAQs About The Chicago Renaissance In American Letters A Critical History Books

What is a The Chicago Renaissance In American Letters A Critical History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Chicago Renaissance In American Letters A Critical History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Chicago Renaissance In American Letters A Critical History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Chicago Renaissance In American Letters A Critical History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Chicago Renaissance In American Letters A Critical History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
