visits from Lyddie their much beloved niece But when their sister Georgie comes to stay unwelcome memories of their shared childhood start to emerge As a child Georgie claimed to know all their secrets secrets that she now wants to share Georgie s revelations are a reminder of long buried passions and promises and bring unexpected shocks to a new generation struggling with their own unruly hearts A triumph of beautifully interwoven story lines and unfolding dramas The Children s Hour will secure Marcia Willett s growing reputation as a world class master storyteller *The Children's Hour Series* Children,1866
