Meade, 2016-07-22 In a poor part of London but not in the very poorest part two children sat on a certain autumn evening side by side on a doorstep The eldest might have been ten the youngest eight The eldest was a girl the youngest a boy Drawn up in front of these children looking into their little faces with hungry loving pathetic eyes lay a mongrel dog The Children's Pilgrimage L. Meade, 2015-09-29 A wonderful story about two destitute children who are on their way to the Celestial City *The Children's record of the Presbyterian Church in England* , 1870 *The Children's Crusade* G. Dickson, 2007-11-08 The Children s Crusade was possibly the most extraordinary event in the history of the crusades The first modern study in English of this popular crusade sheds new light on its history and offers new perspectives on its supposedly dismal outcome Its richly re imagined history and mythistory is explored from the thirteenth century to present day The Children's Crusade M. J. Trow, 2020-08-08 In the summer of 1212 30 000 children from towns and villages all over France and Germany left their homes and families and began a crusade Their aim to retake Jerusalem the holiest city in the world for God and for Christ They carried crosses and they believed because the Bible told them so that they could cross the sea like Moses The walls of Jerusalem would fall like Jericho s did for Joshua It was the age of miracles anything was possible Kings ignored the Children so did popes and bishops The handful of Church chroniclers who wrote about them were usually disparaging They were delusional they were inspired not by God but the Devil Their crusade was doomed from the start None of them reached Outremer the Holy Land They turned back exhausted Some fell ill on the way others died Others still were

probably sold into slavery to the Saracens the very Muslims who had taken Jerusalem in the first place We only know of three of them by name Stephen Nicholas and Otto One of them was a shepherd another a ploughboy the third a scholar The oldest was probably fourteen Today in a world where nobody believes in miracles the Children of 1212 have almost been forgotten Almost but not quite The poet Robert Browning caught the mood in his haunting poem The Pied Piper of Hamelin bringing to later readers the sad image of a lost generation wandering a road to who knew where
