The reggae of Bob Marley evokes Jamaica The soundtrack for Alabama is without question provided by our troubled troubadour Hank Williams The 2016 biography Hank by Mark Ribowsky paints a dark picture of the musician s short alcoholic drug filled life a life of loneliness and pain He goes so far as to call Hank s life story noir ish In Alabama Noir we encounter troubles and foibles galore darkness in many forms The stories range from the deadly grim to some that are actually mildly humorous We see desperate behavior on the banks of the Tennessee River in the neighborhoods of Birmingham in the affluent suburbs of Mobile in a cemetery in Montgomery and even on the deceptively pleasant beaches of the Gulf of Mexico Fans of noir should all find something to enjoy      **The Joy Valley Turtle** Andrew J. Keith Miller,2010-01-01 this exciting book breaks new ground in identifying the major cause of relationship failure as the need to control in marriages and families with friends and within organizations *Compelled to Control* reflects Miller's sweeping knowledge as a thinker a speaker and a writer Going far beyond how to control a controller Miller speaks from the perspective of experience and personal change When a controller has the sense of life being out of control he says he or she reacts with an even stronger need to get things under control usually with the negative result of alienating the people who matter the most Miller tackles this deeply denied seemingly universal phenomenon with compassion and offers a way out of the dilemma He tells who to approach broken relationships in new ways leaving behind destructive patterns of perfectionism and self justification Keith Miller is one of those rare writers who can combine intellectual acuity with deeply felt insight born of his own struggle for authenticity *Compelled to Control* is an impressive contribution to the literature of recovery and personal change      Supreme Court Appellate Division ,      **University of Washington Publications in Anthropology** ,1920      **Ecology and Ethnogenesis** Adam R.
