Cabañas, Jeanne Dubino, Veronica Salles-Reese, Gary Totten, 2015-06-26 This collection examines the intersections between the personal and the political in travel writing and the dialectic between mobility and stasis through an analysis of specific cases across geographical and historical boundaries The authors explore the various ways in which travel texts represent actual political conditions and thus engage in discussions about national transnational and global citizenship how they propose real world political interventions in the places where the traveler goes what tone they take toward political or socio political violence and how they intersect with political debates Travel writing can be viewed as political in a purely instrumental sense but as this volume also demonstrates travel writing's reception and ideological interventions also transform personal and cultural realities This book thus examines the ways in which politics material effects inform and intersect with personal experience in travel texts and engage with travel's dialectic of mobility and stasis In spite of globalization and efforts to eradicate the colonial vision in travel writing and in travel writing criticism this vision persists in various and complex ways While the travelogue can be a space of discursive and direct oppression

these essays suggest that the travelogue is also a narrative space in which the traveler employs the genre to assert authority over his or her experiences of mobility This book will be an important contribution for interdisciplinary scholars with interests in travel writing studies global and transnational studies women s studies multicultural studies the social sciences and history *Variety and Daily Variety Television Reviews, 1993-1994* Prouty,1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s *A Comedy of Errors* Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficulty accessible journals newspapers and other sources This collection brings together these essays for the first time **The Devil's Sinkhole** Bill Wittliff,2016-10-04 When last we saw the boy Papa in *The Devil's Backbone* he had finally learned the fate of his missing Momma and his vicious daddy Old Karl But hardly has he concluded that quest before another one is upon him Now a white haired man with a hangman s noose around his neck and death in his eye o Pelo Blanco is coming And he means to hang Papa In *The Devil's Sinkhole* the master storyteller Bill Wittliff takes us on another enthralling journey through wild and woolly Central Texas in the 1880s When Papa and his o amigo Calley Pearsall confront Pelo Blanco before he can ambush Papa the encounter sets them on a pursuit with a promise of true love at the end if only they can stay alive long enough for Calley to win the beautiful Pela Rosa the captive companion of Pelo Blanco But before they can even hope to be united with Pela and Annie Oster Papa s plucky sweetheart Papa and Calley have to defeat not only Pelo Blanco but also the evil murdering Arlon Clavic and deliver Little Missey the mysterious Wild Woman a the Navidad to the safe haven of the Choat farm With dangers and emergencies around every bend it s a rough ride to the Devil s Sinkhole where this world and the next come together bringing Papa and Calley Pelo Blanco and Arlon to a climax that will leave readers clamoring for the next adventure **Change We Can Believe In?** Anthony Livingston Hall,2010-08-02

ANTHONY L HALL takes aim at every important issue of our time with a unique and refreshing perspective He comments on Obama accepting the Nobel Prize Many people are still wondering what that mysterious light hovering over Norway was on the night before he arrived But despite claims that it was generated by a UFO or the failed test launch of a Russian missile die hard believers like me will tell you that it was just a celestial sign heralding the Nobel coming of Barack Obama The swine flu pandemic that wasnt An Obama advisor has been quoted saying You never want a serious crisis to go to waste It is instructive to note that the pharmaceutical companies that produce vaccines as well as the peddlers of surgical masks and other flu paraphernalia appear to be heeding this advice Movie about Nehrus affair with the wife of a British diplomat One

can only imagine the physical passion they shared especially in light of Edwinas reputed nymphomania which notwithstanding Nehrus efforts she reportedly satiated by making scandalous booty calls on a black man for over 30 years Christmas Day underwear bomber We had the secretary of Homeland Security Janet Napolitano assuring us on Sunday that the system worked in this case If this good job Brownie faux pas doesnt suggest that our whole airline security system is devoid of logic nothing does Cartoon of Obama kneeling and kissing shoe of Chinese leader To be sure the cartoon takes some creative license But the essential point it conveys is undeniable America cannot stand like a superpower with China squeezing its balls in a financial vise grip Expenses scandal that rocked UK Parliament Who knew that the only swine flu Britons had to worry about was an epidemic of MPs feeding at the public trough like pigs Tiger Woodss Thanksgiving Day spat with his wife Cheating Tiger fuming dragon
