One Horse is a marvel filled journey through Breyten Breytenbach's kaleidoscopic imagination. The electrifying colors and penetrating images of his paintings converse with his lyrical and satirical dream fables. These visions and parables emerge from a mélange of cultures and traditions. African and Eastern thought, the spirit world and the spheres of visual art, philosophy, history and politics. Breytenbach's watercolors communicate in hieroglyphs where private conversation embraces myth and dream. These reflections and images, clear and complex at once, are cries for human dignity and justice, are truths disguised as play. With octopus-like grace, Breytenbach pulls together worlds and watches them dance and struggle together. Echoes of Afrikaans haunt his English, the fantastic melds into the quotidian, love glimmers beneath rage, the immediate rises to the universal.

*The Light in the Piazza and Other Italian Tales* Elizabeth Spencer, 2010-12-01. Elizabeth Spencer is captivated by Italy. For her, it has been a second home. A one-time resident who returns there, this native-born Mississippian has found Italy to be an enchanting land whose culture lends itself powerfully to her artistic vision. Some of her most acclaimed work is set there. Her American characters encounter but never quite wholly adjust to the mysteries of the Italian mores. Collected here in one volume are Spencer's six Italian tales. Their plots are so alluring and enigmatic that Boccaccio would have been charmed by their delightful ironies and their sinister contrasts of dark and light. Spencer is grounded in two bases: Italy and the American South. Her characters, too, mostly southerners, rove in search of connection and fulfillment. In *The Light in the Piazza*, a novella which has become both Spencer's signature piece and a Hollywood film, a stranger from North Carolina traveling with her beautiful daughter encounters the intoxicating beauty of sunlit Florence and discovers a deep conflict in the moral dilemma it presents. I think this work has great charm, Spencer has said, and it probably is the real thing: a work written under great compulsion while I was under the spell of Italy. But it took me all told about a month to write. In *Knights and Dragons*, another novella and a companion piece to *The Light in the Piazza*, an American woman in Rome and Venice struggles for release from her husband's sinister control over her. Spencer sets this tale in the cold and wintry dark and here portrays the other face of Italy. In *The Cousins*, *The Pincian Gate*, *The White Azalea*, and *The Visit*, Spencer shows the exceptional artistry that has merited acclaim for her as one of America's first-class writers of the short story. *The Light in the Piazza* may long be the work for which she is most recognized. In 2005, the Lincoln Center's Vivian Beaumont Theater in New York City staged a musical adaptation of this novella. The production

brought together the talents of Adam Guettel music and lyrics and Craig Lucas book while director Bartlett Sher made his Lincoln Center debut That year the musical won six of the eleven Tony awards it was nominated for It was thereafter produced on stages across the globe and eventually returned to Lincoln Center in 2016 for a reunion of its original cast as a benefit concert

Solzhenitsyn's Traditional Imagination James M. Curtis, 2008 Most critics overlook the literary significance of Alexander Solzhenitsyn's work focusing instead on biographical political and moral interpretations This examination of Solzhenitsyn's major novels *One Day in the Life of Ivan Denisovich* *The First Circle* *Cancer Ward* and *August 1914* emphasizes that his writings must be understood within the tradition of Russian literature and the context of Western culture James M Curtis provides a detailed analysis of Tolstoy's crucial influence on Solzhenitsyn and he discusses at length Solzhenitsyn's relationship to Dostoyevsky Leskov Chekhov and Zamyatin Curtis also demonstrates that a study of Ernest Hemingway whose books have been enormously popular in Russia and Virginia Woolf can contribute to our understanding of the Russian novelist Solzhenitsyn's *Traditional Imagination* includes a chapter on Dos Passos and Eisenstein whose work constituted Solzhenitsyn's first major artistic interest outside Russian literature The chapter presents the first comprehensive examination of the importance of film for Solzhenitsyn and shows how he learned the use of film technique in literature from Dos Passos and how he adapted it from Eisenstein's films This was the first full length study to use Solzhenitsyn's revised editions of *One Day* *The First Circle* and *Cancer Ward* all published in 1978 Professor Curtis's careful use of the best available texts together with his wide knowledge of contemporary literary criticism and his insistence upon Solzhenitsyn's purely literary importance make this a valuable book for all students of Solzhenitsyn's fiction
