Smiling Gunman:

Gunman's Tally L. Ron Hubbard, 2013-03-21 Some men look to keep the peace Others look to make trouble But sometimes even the most law abiding of men are compelled to cross the line Easy Bill Gates is just such a man as quick with a smile and as slow to anger as Gary Cooper in High Noon He s a model of restraint until he s forced to strap on a holster and kill the outlaw who murdered his brother But more than his honor is at stake A ruthless land baron is out to grab Bill s ranch and he s hired a gang of gunslingers to get Bill out of the way Between the rancher who wants to take his land and the young guns who want to take his life Easy Bill will have to make some hard choices and fast draws to avoid becoming just another notch in the Gunman s Tally Hailing from the western states of Nebraska Oklahoma and Montana Hubbard grew up surrounded by grizzled frontiersmen and leather tough cowboys counting a Native American medicine man as one of his closest friends When he chose to write stories of the Old West Hubbard didn t have to go far to do his research drawing on his own memories of a youth steeped in the life and legends of the American frontier Also includes the Western adventure Ruin at Rio Piedras the story of a young cowboy kicked off a ranch for falling in love with the owner s daughter only to devise a whip smart plan to win the day and the girl Outstanding Midwest Book Review *Inglespedia* Julio Laverio, 2017-04-07

The Gunman's Ride D. A. Daugherty, 2020-11-23 On a lonely road in the kingdom of Sarven lone outlaw Jack Spade robs an unsuspecting merchant This is no random crime however He was hired to steal a very specific thing the mysterious Box of Andelaine which has remained sealed for millennia despite the best efforts of all the world's most powerful

sorcerers It remained sealed at least until out of idle curiosity the gunman tried the lid only for it to swing wide without protest Even the simple act of opening a box and removing the seemingly unassuming necklace inside has dire consequences for the solitary roughrider Between the cult of deadly warriors in the service of angels and the demonic rider who won't stay dead for long the hounds of heaven and hell are out for blood The worst part for their increasingly desperate quarry is that no one will even tell him why Seemingly the only solution for the man is to trust the word of an enigmatic sorceress known only as Lucy and travel across a wide trackless frontier to the foreign unwelcoming land on the other side Through it all the lone gunman can never be quite sure whether or not he's on his last ride

The First Day at High School: A smile for Karen Amanda Eugenio Miguel Dediego ,2025-04-11 Miguel tells me that this story is a metaphor about the Colombian education system which he knows well having been both a student and a teacher here Dr Bullfrog's physics and chemistry lab Kalkulator and Numberland suggest mathematics classes General Star reminds us of social studies and political science And of course the Everlasting Games Park is recess on a grand scale with all the good and bad interactions between children freed momentarily from restrictive classroom rules and regulations able to be themselves for a while Many readers may very well enjoy this story for the social and educational metaphors that abound here There is definitely much interesting food for thought along those lines For my part I've been mesmerized reading the story as a flight of fantasy and of creativity It has made me want to continue reading to see not only what extraordinary image or situation is coming next but also what the results will be My congratulations to Eugenio Miguel In his story of Karen Amanda he gives us a work of love dedication and incredible creativity Laura Pilcher Former teacher Colombo Americano Buga
