Modern Ghost Melodramas Michael Walker,2025-10-01 The popular and critical successes of films like The Sixth Sense and The Ring and its sequels in the late 1990s led to an impressive international explosion of scary films dealing with ghosts This book takes a close look at a number of those films from different countries including the United States Japan South Korea Spain and Great Britain Making a crucial distinction between these atmospheric films and conventional horror Michael Walker argues that they are most productively seen as ghost melodramas which opens them up to a powerful range of analytic tools from the study of melodrama including crucially psychoanalysis

Richard Matheson on Screen Matthew R. Bradley,2010-10-04 Though innumerable biographies have been written about novelists playwrights and poets screenwriters are rarely granted this distinction even ones as prolific and successful as Richard Matheson Beginning with The Incredible Shrinking Man in 1957 Matheson has occupied a unique position in writing for television and cinema for more than fifty years This biography documents his rise to prominence his literary influences and the role he played in the horror and science fiction renaissance The narrative examines each of Matheson s works in chronological order with an index indicating where each can be found from his early work in the 1950 s through I Am Legend in 2007

Movies of the '90s Riley Webster,2023-10-19 The 1990s was an amazing decade for movies witnessing the release of dozens of incredible films including The Matrix The Shawshank Redemption Pulp Fiction Goodfellas Fargo Jurassic Park and so many more Despite this embarrassment of riches author Riley Webster believes this decade has never received as much praise or as many kudos as it deserves until now Whether you re a serious cinephile a casual viewer or merely seeking a heavy dose of 1990s nostalgia this is the book for you

The Uncanny Child in Transnational Cinema Jessica Balanzategui,2025-10-01 *The Uncanny Child in Transnational Cinema* illustrates how global horror film depictions of children re conceptualised childhood at the turn of the twenty first century By analysing an influential body of transnational horror films largely stemming from Spain Japan and the US Jessica Balanzategui shows how millennial uncanny child characters resist embodying growth and futurity unravelling concepts to which the child s symbolic function is typically bound The book proposes that complex cultural and industrial shifts at the turn of the millennium resulted in these potent cinematic renegotiations of the concept of childhood By demonstrating both the culturally specific and globally resonant properties of these frightening visions of children who refuse to grow up the book outlines the conceptual and aesthetic mechanisms by which long entrenched ideologies of futurity national progress and teleological history started to waver at the turn of the twenty first century

Gender and the Nuclear Family in Twenty-First-Century Horror Kimberly Jackson,2016-04-29 *Gender and the Nuclear Family in Twenty First Century Horror* is the first book length project to focus specifically on the ways that patriarchal decline and post feminist ideology are portrayed in popular American horror films of the twenty first century Through analyses of such films as *Orphan* *Insidious* and *Carrie* Kimberly Jackson reveals how the destruction of male figures and depictions of female monstrosity in twenty first century horror cinema suggest that contemporary American culture finds itself at a cultural standstill between a post patriarchal society and post feminist ideology

Rape-Revenge Films Alexandra Heller-Nicholas, 2014-11-21 Often considered the lowest depth to which the cinema can plummet the rape revenge film has been dismissed as exploitative and sensational catering to a demented demographic Only on such rare occasions as Ingmar Bergman's *The Virgin Spring* John Boorman's *Deliverance* and Quentin Tarantino's *Death Proof* has the rape revenge movie transcended what is commonly assumed to be its intrinsically exploitative nature and moved into the mainstream This critical overview reassesses that viewpoint by exploring a variety of themes as well as the elements that this type of film has in common The author discusses an array of films directed by noteworthy directors from several countries demonstrating that diverse and often contradictory treatments of sexual violence can exist simultaneously

Twenty-First-Century Gothic Brigid Cherry, Peter Howell, Caroline Ruddell, 2020-05-15 The essays in this volume reinterpret and contest the Gothic cultural inheritance each from a specifically twenty first century perspective Most are based on papers delivered at a conference held appropriately in Horace Walpole's Gothic mansion at Strawberry Hill in West London which is usually seen as the geographical origin of the first but not the last of the many Gothic revivals of the past 300 years In a contemporary context the Gothic sensibility could be seen as a mode particularly applicable to the frightening instability of the world in which we find ourselves at the beginning of the twenty first century The truth is probably less epochal that Gothic never went away when were we ever without fear or at least has persisted since its resurgence in the late nineteenth century Gothic is at least as modern as it is ancient and each essay in this collection contributes to current scholarship on the Gothic by exploring a particular aspect of Gothic's contemporaneity The volume contains papers on horror novels and cinema poetry popular music and fan cultures
