Subaltern Lives Clare Anderson, 2012-04-05 *Subaltern Lives* uses biographical fragments of the lives of convicts captives sailors slaves indentured labourers and indigenous peoples to build a fascinating new picture of colonial life in the nineteenth century Indian Ocean Moving between India Africa Mauritius Burma Singapore Ceylon the Andaman Islands and the Australian colonies Clare Anderson offers fresh readings of the nature and significance of networked Empire She reveals the importance of penal transportation for colonial expansion and sheds new light on convict experiences of penal settlements and colonies as well as the relationship between convictism punishment and colonial labour regimes The book also explores the nature of colonial society during this period and embeds subaltern biographies into key events like the abolition of slavery the Anglo Sikh Wars and the Indian Revolt of 1857 This is an important new perspective on British colonialism which also opens up new possibilities for the writing of history itself

Beyond Conversion and Syncretism avid,, Miles Richardson, 2011-10-01 The globalization of Christianity its spread and appeal to peoples of non European origin is by now a well known phenomenon Scholars increasingly realize the importance of natives rather than foreign missionaries in the process of evangelization This volume contributes to the understanding of this process

through case studies of encounters with Christianity from the perspectives of the indigenous peoples who converted. More importantly by exploring overarching general terms such as conversion and syncretism and by showing the variety of strategies and processes that actually take place these studies lead to a more nuanced understanding of cross cultural religious interactions in general from acceptance to resistance thus enriching the vocabulary of religious interaction. The contributors tackle these issues from a variety of disciplinary perspectives history anthropology religious studies and present a broad geographical spread of cases from China Vietnam Australia India South and West Africa North and Central America and the Caribbean.

Religion, Law and Power Ishita Banerjee-Dube, 2009-07-01 This book constructs an anthropological history of a subaltern religious formation Mahima Dharma of Orissa a large province in eastern India. Tracking the contingent making of a critical community over a hundred and forty year period Religion Law and Power explores the interplay of distinct expressions of time and history innovative reformulations of caste and Hinduism and distinct engagements with state and nation. This serves to unravel the wider entanglements of religion history law modernity and power.

Religious Individualisation Martin Fuchs, Antje Linkenbach, Martin Mulsow, Bernd-Christian Otto, Rahul Bjørn Parson, Jörg Rüpke, 2019-12-16 This volume brings together key findings of the long term research project Religious Individualisation in Historical Perspective. Max Weber Centre for Advanced Cultural and Social Studies Erfurt University. Combining a wide range of disciplinary approaches methods and theories the volume assembles over 50 contributions that explore and compare processes of religious individualisation in different religious environments and historical periods in particular in Asia the Mediterranean and Europe from antiquity to the recent past. Contrary to standard theories of modernisation which tend to regard religious individualisation as a specifically modern or early modern as well as an essentially Western or Christian phenomenon the chapters reveal processes of religious individualisation in a large variety of non Western and pre modern scenarios. Furthermore the volume challenges prevalent views that regard religions primarily as collective phenomena and provides nuanced perspectives on the appropriation of religious agency the pluralisation of religious options dynamics of de traditionalisation and privatisation the development of elaborated notions of the self the facilitation of religious deviance and on the notion of dividuality.

Exploring Alterity in a Globalized World Christoph Wulf, 2016-01-13 This volume develops a unique framework to understand India through indigenous and European perspectives and examines how it copes with the larger challenges of a globalized world. Through a discussion of religious and philosophical traditions cultural developments as well as contemporary theatre films and media it explores the manner in which India negotiates the trials of globalization. It also focuses upon India's school and education system its limitations and successes and how it prepares to achieve social inclusion. The work further shows how contemporary societies in both India and Europe deal with cultural diversity and engage with the tensions between tendencies towards homogenization and diversity. This eclectic collection on what it is to be a part of global network will be of interest to scholars and researchers of South Asian studies philosophy sociology culture.
