Stoic And Epicurean:

Stoic and Epicurean R.D. Hicks, 2019-04-17 The ongoing popularity of Seneca's Letters from a Stoic and Marcus Aurelius's Meditations testifies to a continuing interest in Stoic philosophy. Epicureanism offers the other side of the same coin and in spite of the obvious differences between the two philosophies it is easy to discern their fundamental similarities. Both value practice over theory and acknowledge the worth of sense and experience. Both seek answers to such questions as what makes for a good life and how to determine our place in the universe. This classic work explores these still vibrant schools of thought in a scholarly but accessible style. Author R. D. Hicks bases his exposition of the parallel systems of thought on independent study of the original authorities. His treatment starts with an analysis of writings by early Stoics Zeno, Cleanthes and Chrysippus and their successors Epictetus and Seneca. A study of the rival school follows focusing on the teachings of Epicurus and Lucretius. Subsequent chapters examine the conflicts and opposition that continually modified Stoic doctrine including the rise of Skepticism and Eclecticism. The text is complemented by a select bibliography and a chronological table of noteworthy thinkers and writers.

Stoic and Epicurean Robert Drew Hicks, 1911 [Stoic and Epicurean \(Classic Reprint\)](#) Robert Drew Hicks, 2017-09-16 Excerpt from *Stoic and Epicurean* Stoics Zeno and Chrysippus much of the evidence is derived from opponents who were naturally more alert to detect and expose inconsistencies than careful to state impartially the doctrines they impugned. When ample means of information become available new difficulties arise for while it is certain that the Stoics of Cicero's time had diverged from the standards of orthodoxy prescribed by their predecessors it is not equally certain wherein precisely this divergence consisted. Thus Cicero puts into the mouth of Cato a lucid exposition of Stoic ethics but what particular Stoic was Cicero's authority and how far this authority reproduced or modified the original doctrine of Zeno and Chrysippus is matter of dispute. Nor are these difficulties removed by consulting Seneca, Epictetus and Marcus Aurelius the authors whom we know at first hand and in fullest detail. It is difficult to see how from a mass of precepts, exhortations and moral reflections the underlying structure of dogma can be inferred with such clearness and precision as readily to serve for comparison with other authorities. The most careful inquiry must therefore leave room for doubt on questions of grave importance. In the first three chapters of this work the reader will find a nucleus of fact well attested by documentary evidence and my constant endeavour has been to bring him wherever possible face to face with the utterances of the Stoics themselves so that he may judge for himself of the correctness of my interpretation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that

remain are intentionally left to preserve the state of such historical works **Stoic and Epicurean** Robert Drew Hicks,2009

Stoic Ethics William O. Stephens,2007-05-10 Soon after Aristotle's death several schools of ancient philosophy arose each addressing the practical question of how to live a good happy life The two biggest rivals Stoicism and Epicureanism came to dominate the philosophical landscape for the next 500 years Epicureans advised pursuing pleasure to be happy and Stoics held that true happiness could only be achieved by living according to nature which required accepting what happens and fulfilling one's roles Stoicism more than Epicureanism attracted followers from many different walks of life slaves laborers statesmen intellectuals and an emperor The lasting impact of these philosophies is seen from the fact that even today Stoic and Epicurean are household words Although very little of the writings of the early Stoics survive our knowledge of Stoicism comes largely from a few later Stoics In this unique book William O Stephens explores the moral philosophy of Epictetus a former Roman slave and dynamic Stoic teacher whose teachings are the most compelling defense of ancient Stoicism that exists Epictetus philosophy dramatically captures the spirit of Stoicism by examining and remedying our greatest human disappointments such as the death of a loved one Stephens shows how for Epictetus happiness results from focusing our concern on what is up to us while not worrying about what is beyond our control He concludes that the strength of Epictetus thought lies in his conception of happiness as freedom from fear worry grief and dependence upon luck Stoic Six Pack 3: The Epicureans Epicurus,Lucretius,Cicero,2015-10-12 Stoic Six Pack 3 The Epicureans brings together six Epicurean master works The Letters of Epicurus Principal Doctrines of Epicurus De Finibus Bonorum et Malorum by Cicero On The Nature of Things by Lucretius Upon The Gardens of Epicurus by William Temple and Stoics vs Epicureans by Robert Drew Hicks

Epicureans and Stoics ,2008 This little book contains some of the greatest wisdom literature of the ages Everyone and especially young people should be familiar with it Both Epicureanism and Stoicism taught that if we want to be happy and productive we must strengthen and train our willful and wayward minds There are echoes of the Buddha's Dhammapada The passages selected are both beautiful and moving The Stoic and Epicurean Philosophers Whitney Jennings Oates,1940

Atoms, Pneuma, and Tranquillity Margaret J. Osler,1991-08-30 This book addresses the question of the influence that Epicureanism and Stoicism exerted on the development of European thought from classical times to the Enlightenment

Stoic and Epicurean Philosophers ,1940 **Hellenistic Philosophy** A. A. Long,1986-08-20 The purpose of this book is to trace the main developments in Greek philosophy during the period which runs from the death of Alexander the Great in 323 B c to the end of the Roman Republic 31 B c These three centuries known to us as the Hellenistic Age witnessed a vast expansion of Greek civilization eastwards following Alexander s conquests and later Greek civilization penetrated deeply into the western Mediterranean world assisted by the political conquerors of Greece the Romans But philosophy throughout this time remained a predominantly Greek activity The most influential thinkers in the Hellenistic world were Stoics Epicureans and Sceptics This book gives a concise critical analysis of their ideas and their methods of thought The last book in English to cover this ground was written sixty years ago In the interval the subject has moved on quite rapidly since the last war but most of the best work is highly specialized There is a clear need for a general appraisal of Hellenistic philosophy which can provide those who are not specialists with an up to date account of the subject Hellenistic philosophy is often regarded as a dull product of second rate thinkers who are unable to stand comparison with Plato and Aristotle This book will help to remove such misconceptions and arouse wider interest in a field which is fascinating both historically and conceptually

STOIC & EPICUREAN Robert Drew 1850-1929 Hicks,2016-08-27 **The Pocket Epicurean** John Sellars,2022-03-15 We tend to associate the term Epicurean with the enjoyment of fine food and wine But these things are a world away from the vision of a simple but pleasurable life conceived by Epicurus and his followers who were primarily concerned with mental pleasure and with avoiding pain Their goal in short was a life of tranquility In a charming essay of 15 000 words Sellars walks us through the history of Epicureanism We explore a constructive way of thinking about the pleasures of friendship our place in the world and perhaps most importantly the meaning of death and why we should not fear it The Pocket Epicurean draws on ancient wisdom in a way that feels relevant today offering a wise way of thinking about what truly matters in our lives It will be an excellent companion to The Pocket Stoic both titles will appeal to contemporary readers who are looking for intelligent self help and practical philosophical reflections on how to live a good life **The Stoic and Epicurean Philosophers : the Complete Extant Writings of Epicurus, Epictetus, Lucretius, Marcus Aurelius** Whitney Jennings Oates (1904- ed),1957 *The Stoics* Emperor Marcus Aurelius,2025-03-04 Is there an answer to the question How does one

lead a happy life Certainly one ancient Greek school of philosophy believed that there was lead a life of virtue one in harmony with nature and do not be swayed by fortune or misfortune First propounded by Zeno of Citium Stoicism has resonated through the ages and today it seems even more pertinent as we look for ways to combat the constant bombardment of our lives by outside forces whether they be the effects of current affairs our work family issues economic problems or social pressures Collected together in this volume are four key works that explain the key tenets of Stoicism They include Seneca s essays On the Shortness of Life and Of Peace of Mind The Enchiridion of Epictetus compiled by a student of his called Arrian and Meditations by Marcus Aurelius Each one offers mindful lessons about how to face both the best and the worst things and find your path through life Beautifully bound with a cream and gold foil cover and enhance with delightful printed edges to the pages this is a true collector s item Also included is an introduction that explores the tenets of Stoicism and explains how crucial these works are to understanding this school of philosophical thought **Stoics, Epicureans and Sceptics**
