happens after death He comes home to a marriage ceremony conducted by his sister that unites him with the girl who kissed him to begin the day and he plays war with some awful neighborhood boys who believe it s their job to inflict horrible pain on him He sees his mother interact with his mad uncle another victim of World War II who s cracked up into an emotional wreck and who ruins the evening s meal And at the end of the day he loses the love he thought he had after he learns of a similar but far more terrible loss suffered by his mother and an apparent but accidental betrayal by his father A seamless work not separated by chapters but presented as a continuous flow of life in words The Stolen Child teaches in one day many of the lessons of sadness and woe that life inevitably inflicts on us Rescuing the Stolen Child/Seeking Justice Sharee
