Elementary Children's Literature Nancy A. Anderson, 2002 Written in a personable tone this concise literature methods text is filled with classroom applications and teaching strategies for future teachers and parents of preschool and elementary children Organized around genres this student friendly text presents the basic children's literature course content Each genre chapter contains extensive up to date bibliographies most with annotations of books in print and a few exceptional out of print books and for each genre there is a list of evaluation criteria This exceptional textbook not only includes books about minorities in each chapter but it also features works by minority authors and illustrators Uniquely Elementary Children's Literature offers instructional and curriculum tie ins that are woven within the text and in literature response boxes at strategic places in each chapter Book illustrations are included at the beginning of each chapter as well as throughout the narrative

Every Day a Holiday Elizabeth Raum, 2001 Matches quality children's books with each day of the year to provide a focus for story time The lessons in this book will help children develop creative connections between reading and the world around them introducing them to many other people and places throughout the world

Picture This Denise I. Matulka, 1997-12-09 Picture books for young adults can provide a unique introduction to curriculum related topics that will capture student interest This annotated bibliography of over 600 picture books for students in grades 8 through 12 is organized by content area and will enable teachers and library media specialists to select appropriate books for use with students Picture books provide an extraordinary opportunity to combine illustration and thoroughly researched text to introduce topics in the arts health literature mathematics science and social science content areas They can be used together with companion titles or as springboards to stimulate student interest No longer just for children picture books have matured in the last decade to become a format for all ages The recommended fiction and nonfiction titles in this resource have been carefully selected as appropriate for older readers because of their sophisticated content Almost all have been published in the late 1980s through 1996 For ease of use by the teacher or young adult librarian the bibliography is arranged into six content areas the arts health literature and language mathematics science and nature and social studies and history Within each content area entries are organized alphabetically by author Each annotation includes the book's content subject breakdown artistic style and medium suggested companion titles and ideas for use in the classroom Annotations are numbered for ease of use and indexed by subject author and illustrator Appendixes include a glossary of terms used to describe picture books a checklist to guide teachers and students when using picture books and a list of professional sources that will assist teachers in exploring the picture book format This easy to use guide is an indispensable resource for teachers and librarians seeking to motivate students and stimulate their interest

Literature and the Child Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and

Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children s books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum **The Elementary School Library Collection, Phases 1-2-3** ,1998 **Children's Catalog** Anne Price,Juliette Yaakov,1996 *Children's Literature* Diana Mitchell,Pamela Waterbury,Rose Casement,2003 Children s Literature An Invitation to the World is written and organized in a manner that engages the readers and that will instill confidence in teachers when selecting and using literature in their teaching Readers are asked to take a world view of literature what it is how to recognize one s own how to recognize an author s and encouraged to see children s literature through a lens that includes people not like themselves The book tackles tough issues such as gender and racial bias and how they can be insidiously promoted in literature No other book on the market engages readers more than this one Rather than just presenting topics the book asks What can we learn from them In addition the first person narrative involves readers in the discussion rather than simply presenting content to them Elementary and middle school teachers curriculum developers and anyone interested in children s literature
