Stone Sky Lifting:

All the Fierce Tethers Lia Purpura, 2019-04-09 Readers familiar with Lia Purpura's highly praised essay collections *Becoming On Looking* and *Rough Likeness* will know she's a master of observation a writer obsessed with the interplay between humans and the things they see The subject matter of *All the Fierce Tethers* is wonderfully varied both low muskrats slugs a stained quilt in a motel room and lofty shadows prayer the idea of beauty In *Treatise Against Irony* she counters this all too modern affliction with ferocious optimism and intelligence The opposite of irony is nakedness In *My Eagles* our nation's symbol is viewed from all angles nesting flying politicized preserved The essay in itself could be a small anthology And in a fresh move Purpura turns to her own racially divided Baltimore neighborhood where a blood stain appears on a street separating East with its Value Village and West with its community garden Finalist for the National Book Critics Award winner of the Pushcart Prize Lia Purpura returns with a collection both sustaining and challenging *The Emerald Modem*

Richard Leviton, 2004-05-04 Twenty years ago in England author Richard Leviton discovered the planet Following quite specific guidance he began a long process that amounted to an apprenticeship My mentors dispatched me to various specific locations in the Somerset landscape and at all hours of the night and day I sat on hills and valleys and rocks under sunlight moonlight rain snow and fog and had visions I started to see another landscape behind the apparent landscape It was an apparitional landscape with stars planets galaxies angels spirits of Nature mythic deities divinity As time went on he found himself talking with angels visiting celestial cities and following gnomes He came to understand that at one level we are the planet and that both we and it have an intimate relationship with our galaxy I found myself living inside the myths of the world as if they were expert scripts for real life inner adventures I never once thought I was crazy Why should I Quite the opposite I believed I was finally getting grounded in something real But it would take me twenty years to make sense of it That sense is embodied in *The Emerald Modem* The *Emerald Modem* includes direct correspondences between human chakras and the Earth's energy features and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception sacred sites energy points vertexes etc into a global interactive model that ties human consciousness directly to it Leviton describes 85 subtle features in the planetary landscape places you can go for mystical experiences They are features of the Earth's energy body almost all invisible to conventional sight But psychic cognition can be trained and you can usefully interact with any of these types of sites today without seeing what you're doing Your intent to interact for the benefit of yourself and the planet is all that's required Just as modems dial us into the Internet so the features of the Earth's energy body described in *The Emerald Modem* help us get online with the galaxy You can learn to visit Grail Castles experience a Mount Olympus or walk through the stars in a landscape zodiac and you can learn enough to become confident that you're not traveling alone **Stone Sky**

Lifting Lia Purpura, 2000 Stone Sky Lifting is a study in states of extremity portraying violence at one end of the spectrum and unbidden solace at the other Focusing on transforming events Purpura depicts the spiritual dislocation that can result from abiding scrutiny With a metaphysical sensibility Purpura moves between our world's abundance and its mysterious stillness in her subject matter Over the course of the book a shaken vision emerges one of trespass both worldly and spiritual and of repair The poems in this collection don't seek resolve rather they make space for paradox to root Silences become revelations in Purpura's poems

On Looking Lia Purpura, 2006-08-01 These pieces are not so much essays as prose poems lyrical hymns to beauty and aesthetics Publishers Weekly Lia Purpura's daring new book of lyric essays On Looking is concerned with the aesthetics and ethics of seeing In these elegantly wrought meditations patterns and meanings emerge from confusion the commonplace grows strange and complex beauty reveals its flaws and even the most repulsive object turns gorgeous Purpura's hand is clearly guided by poetry and behaves unpredictably weaving together in one lit instance sugar eggs binoculars and Emerson's words I like the silent church before the sermon begins In Autopsy Report Purpura takes an intimate look at the ruin of our bodies after death examining the dripping fruits of organs and the spine in its wet red earth A similar reverence is held for the alien jellyfish in On Form where she notes that in order to see their particular beauty we have to suspend our fear we have to love contradiction Her essays question art and its responses as well as its responsibilities challenge familiar and familial relationships and alter the borders between the violent and the luminous the harrowing and the sensual Above all Purpura's essays are a call to notice She is writer as telescope kaleidoscope microscope and mirror As she says By seeing I called to things and in turn things called me applied me to their sight and we became each as treasure startling to one another and rare This is indeed a rare and startling treasure of a book from a recipient of numerous awards for both prose and poetry Purpura is the real deal and so is every successive sentence in this collection A cornucopiac vocabulary is married to a strict economy of expression an offbeat curiosity is married to the courage of difficult witnessing Albert Goldbarth Purpura's prose is a system of delicate shocks leaps and connections and syncopated revelations all in the service of the spirit negotiating the truth of its experience Sven Birkerts

It Shouldn't Have Been Beautiful Lia Purpura, 2015-09-29 A powerful new collection from poet essayist and frequent New Yorker contributor Lia Purpura Lia Purpura has won national acclaim as both a poet and an essayist The exquisitely rendered poems in this her fourth collection reach back to an early affinity for proverbs and riddles and the proto poetry found in those forms Taking on epic subjects time and memory metamorphosis and indeterminacy the complicated nature of beauty wordless states of being each poem explores a bright crisp singular moment of awareness or shock or revelation Purpura reminds us that short poems never merely brief nor fragmentary can transcend their size like small dogs espresso a drop of mercury

Rough Likeness Lia Purpura, 2011-12-20 All about looking at a landscape at language at a sign Purpura goes beneath the surface writing not just about what she sees but what it means Los Angeles Times Lia Purpura's essays are full of joy in the act of intense observation

they re also deliciously subversive and alert to the ways language gets locked and loaded by culture These elegant conversational excursions refuse to let a reader slide over anything from the tiniest shards of beach glass to barren big box wastelands They detonate distractedness superficiality artificiality In the process Purpura inhabits many stances metaphysician and biologist sensualist and witness all in service of illuminating that which Virginia Woolf called moments of being previously unworded but palpably felt states of existence and knowing Rough Likeness finds worlds in the minute and crafts monuments to beauty and strangeness Lia Purpura is at the forefront of the New Essay and this latest book her best takes us much closer into the rough terrain of her quirky mind than she has ever gone before The surprises and insights keep coming Rough Likeness is an astonishment a book to savor read slowly smile at sigh at and cherish Phillip Lopate **Who**
