Stony Man Outbreak:

Outbreak Don Pendleton,2003 A lethal virus that has spread through American targets in Europe is now on an American battleship Unless the Stony warriors can stop it the vessel will soon be nuked As the crisis escalates ground and cyber crews race to find the source Original **Terminal Guidance** Don Pendleton,2011-12-01 U S intelligence agencies are picking up chatter about something big coming their way A series of calculated executions of undercover intelligence personnel in Washington London and Pakistan convinces the Oval Office that this is the attack the world has feared The Stony Man teams deploy to the hot spots fighting to connect the dots in a plot to blow dirty bombs in Boston and Peshawar And every minute counts as the warriors seek to smash a deadly alliance of terror that seems to have unlimited power and resources DAY OF DECISION Don Pendleton,2014-01-15 STONY MAN A covert last line of defense for America Stony Man is armed and ready in a dangerous era In a new age of terrorists willing to unleash nuclear biological and chemical weapons the Oval Office provides the unconditional green light to the Stony warriors to do whatever it takes to circumvent any attack on the U S Now Stony Man is facing the unimaginable DAY OF DECISION A Typhoon class nuclear sub has been commandeered by terrorist dissidents Halfway across the globe members of the same group have hijacked an airliner and rerouted it to Somalia Now the plane is heading toward its U S target with a nuclear payload While Stony Man s elite cyber team works feverishly to understand a blueprint for horror Able Team and Phoenix Force strike out from Afghanistan to Siberia tracking the nightmare to its source **Warrior's Requiem** Don Pendleton,2003 In the 300th episode Stony Man bids farewell to one of its own as fellow warrior gone rogue Yakov Katzenelenbogen makes the battle extremely personal against an international conspiracy in the Mideast Original Ramrod Intercept Don Pendleton,2014-01-15 STONY MAN In the covert world of clandestine operations Stony Man is the President s deniable expendable a ready reaction force that officially doesn t exist For this elite fighting team there s no glory just the knowledge that a successful mission means one less threat for the moment But now a traitor in America s military has made a deal that could alter the balance of power in the West RAMROD INTERCEPT It s the next step in silent invisible warfare and now the Ramrod Intercept technology has fallen into the hands of America s most virulent enemies The head of a black ops U S military facility has made a deal with an exiled Sudanese general a monster willing to share the weapon s destructive capabilities with an army of terrorists in exchange for shock troops on his blood march to take Khartoum Stony Man s grim three way mission find the traitor stop a devastating coup and retrieve America s secret weapon Terms of Control Don Pendleton,2014-01-15 STONY MAN The ultrasecret counterterrorist force called Stony Man utilizes a brilliant cybernetics team and a dedicated fighting force to combat the ever changing threats against the free world Stony Man answers only to the President But when politics public relations and treachery put the Oval Office in the hot seat Stony Man runs an uphill battle to avert global disaster with millions of lives hanging in the balance ONE NATION Supertankers bound for the U S are being sabotaged and key foreign enterprises in

America are coming under attack The message is loud and clear someone wants the U S to close its borders to outsiders and Stony Man thinks it knows who The scheme is the brainchild of a powerful senator bringing his own brand of isolationism to the extreme He s hired mercenaries to do the dirty work and the body toll is rising by the hour Stateside and across the globe a grim endgame is fast approaching The outcome all boils down to luck timing and the combat skills of a few good men

Fatal Prescription Don Pendleton,2017-06-01 Deadly Plague There seems to be little connection between the viral devastation of a small African village and the massacre at a drug research facility in Belgium But Mack Bolan has learned the hard way that appearances can be deceiving In fact a wealthy industrialist is about to expand the release of a highly contagious virus out of Africa and into the States and use the miracle antidote as his ticket to the US presidency It s up to the Executioner to take down the villain s mysterious assassin and stop the pending epidemic **Toxic Terrain** Don

Pendleton,2011-05-01 The badlands of North Dakota become a war zone when a former Pentagon researcher stumbles across a Chinese terrorist plot to unleash deadly prions into the country s largest supply of cattle feed With America s food chain and the lives of millions in jeopardy Mack Bolan knows he must shut down the organization and it has to happen fast But with the local authorities on the enemy s payroll and an army of mercenaries tracking his every move there s no safe place for Bolan Heavy fire power alone will not win this fight Bolan must rely on his battle instincts if he s going to prevent tragedy The Executioner will risk everything to succeed because if he fails the United States may never recover *Shenandoah*

National Park ,1976 **The Perishing Game** Don Pendleton,1996 **1885 and After** F. L. Barron,James Burgess Waldram,1986 The papers contained in this volume were presented originally at the 1885 and After Conference held at the University of Saskatchewan P vii Terrorist Dispatch Don Pendleton,2016-09-01 CRIMEAN DEADLOCK Ukrainian

militants are the initial suspects in a terrorist attack on Washington DC until rumors surface suggesting Moscow was behind the bombing But the investigation only raises more questions Was the attack an attempt to mute US criticism of Russia or a call to action to help suppress Ukrainian dissidents Only one man can solve the riddle and mete out appropriate punishment Mack Bolan From Manhattan s Little Ukraine to the war torn country itself Bolan blazes a path of truth and justice to neutralize the threat and prevent another slaughter on American soil even as the danger increases with enemies and allies emerging on both sides of the Crimean conflict But the Executioner is no middleman he has his own war to fight and he won t stop until his opponents are ashes Troubled Waters Warren Murphy,Richard Sapir,2003 Thomas Captain Kidd is the new

scourge of the Caribbean raiding unsuspecting pleasure crafts When he kidnaps the daughter of a senator Remo and Chiun are determined to dispatch the sea raider to an afterlife between the devil and the deep blue sea Oceans of Fire Don Pendleton,2014-01-15 STONY MAN Stony Man is the last line of defense in a new age of terror The covert ops teams that make up the clandestine antiterrorist group are the elite in the field Backed by superior cybernetic and real time intelligence the men of Phoenix Force and Able Team strike with relentless precision fighting the worst the world has to offer whenever

and wherever it leads them OCEANS OF FIRE The trail to recapture stolen Russian nukes puts Stony Man on a mission that s turning suicidal Using covert and hardball tactics the nukes are traced to a source inside the Middle East but it s soon discovered that the Arab extremists are merely financiers in an operation laced with wrong turns double dealings and the changing face of an enemy clever enough to stay one step ahead Stony Man is up against a deadly chimera Russian mafiya Afghan warlords and a mysterious German corporate magnate whose desire for revenge threatens to wipe America s eastern seaboard off the map Jamaica. Report of the Jamaica Royal Commission, 1866 Great Britain,1866 Doomsday Conquest Don Pendleton,2014-01-15 STONY MAN Accountable only to the Oval Office and fully committed to the security of the U S in an ever morphing terrorist landscape the warriors of Stony Man never relent tire or fold America s last line of defense understands that all it takes for evil to prevail is for a few good people to stand down For Stony Man that day will never come Not now Not ever DOOMSDAY CONQUEST The covert world of black ops takes on a sinister new twist as high ranking rogue operatives offer super tech weapons for sale to enemies of the United States in an effort to fix the Middle East With buyers from Russia to Iran lining up for the prize America s national security is about to blow up in a mushroom cloud plunging Stony Man into a killing game with no end or winner in sight **Sweet Promises** J. R. Miller,1991-01-01 Companion volume to earlier work Skyscrapers hide the heavens Previously published articles are concerned with developments in the various regions of Canada from the days of New France to the present They deal with the early military alliances relations at the time of the fur trade civil Indian policy treaties and reserves the Northwest Rebellion the impact of religion and agricultural and educational policies the emergence of native political organization differing attitudes towards the environment and the struggle for aboriginal rights and contemporary land claims disputes Introduction provides an overview of the history of Indian white relations over five centuries **Pioneer America** ,1982 **McClure's Magazine** ,1915 Hostile Dawn Don Pendleton,2009-04-01 Bold new threats put America s elite counterterrorist unit Stony Man on the front lines of a war in which fanatics pursue twisted ideology and spilled blood As the covert action arm of the Oval Office these cybernetic and commando teams work under the radar and in the hot zones to neutralize threats before innocent citizens pay the ultimate price Rogue organizations within anti Western nations are banding together to attack their common enemy on a new front New Dawn Rising is the bad boys club of the Middle East Africa and Asia using money influence and politics to access global seats of corporate power and cripple the free world from the boardroom Los Angeles is the target of a violent assault that s about to simultaneously take out take over and wreak mass terror
