Brooks,2017-03-07 The story of how and why some women choose to use while others refuse cosmetic intervention What is it like to be a woman growing older in a culture where you cannot go to the doctor open a magazine watch television or surf the internet without encountering products and procedures that are designed to make you look younger What do women have to say about their decision to embrace cosmetic anti aging procedures And alternatively how do women come to decide to grow older without them In the United States today women are the overwhelming consumers of cosmetic anti aging surgeries and technologies And while not all women undergo these procedures their exposure to them is almost inevitable Set against the backdrop of

commercialized medicine in the United States Abigail T Brooks investigates the anti aging craze from the perspective of women themselves examining the rapidly changing cultural attitudes pressures and expectations of female aging Drawn from in depth interviews with women in the United States who choose and refuse to have cosmetic anti aging procedures *The Ways Women Age* provides a fresh understanding of how today s women feel about aging The women s stories in this book are personal biographies that explore identity and body image and are reflexively shaped by beauty standards expectations of femininity and an increasingly normalized climate of cosmetic anti aging intervention *The Ways Women Age* offers a critical perspective on how women respond to 21st century expectations of youth and beauty
