Zen on the go Aditi Pant, 2019-08-27 It takes time and a lot of seasons for a great tree to realize its true dimensions From that vantage point it tells us stories stories not only of joy but also those that contain pain As the seasons change the tree changes as well it rejoices with spring tempers with summer wizens with autumn and quietens with the winter This process of watching the tree as it accepts embodies and reflects every season and learns from it is the very alchemy of Zen All of us have grown up listening to stories from this tree of life The esoteric becomes real in the telling and retelling of stories It is these stories that teach us that happiness is not found in seeking out extraordinary experiences but in examining our life closely in reflecting on our experiences and in becoming more cognizant of our surroundings just like the tree This is a book of little stories and anecdotal experiences which pull us out of our hectic schedules and help us discover a moment of Zen in our own lives

The Tarnished Scepter John Smallldridge, 2014-07-03 The thrilling third novel from John Smallldridge in the Tarnished Series The Tarnished Scepter is a new story about Moses portraying an ordinary man who lived in an extraordinary time and who was used in an extraordinary way A mixture of characters views religion trials and tribulations making the Tarnished Scepter a compelling read

Ludics Vassiliki Rapti, Eric Gordon, 2021-01-11 This book establishes play as a mode of humanistic inquiry with a profound effect on art culture and society Play is treated as a dynamic and relational modality where relationships of all kinds are forged and inquisitive interdisciplinary engagement is embraced Play cultivates reflection connection and creativity offering new epistemological directions for the humanities With examples from a range of disciplines including poetry history science religion and media this book treats play as an object of inquiry but also as a mode of inquiry The chapters each focusing on a specific cultural phenomenon do not simply put culture on display they put culture in play providing a playful lens through which to see the world The reader is encouraged to read the chapters in this book out of order allowing constructive collision

between ideas moments in history and theoretical perspectives The act of reading this book like the project of the humanities itself should be emergent generative and playful
