Stop Living Like A Constipated Christian:

Rescuing God from Christianity Sven E. Erlandson, 2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one's neighbor *How Odd of God* William H. Willimon, 2015-10-09 Election is a strange word when used in theology It brings to mind old debates about what God might or might not have done before the foundation of the world But viewed apart from that historical baggage the word election is about a central gospel idea that in Jesus not only does God choose to be God for us but chooses us to be for God The calling of the disciples in the gospels is a story of election of how God chooses to transform the world by choosing us to be messengers and agents of that transformation So it is says William Willimon that election becomes not just the content of our preaching but the means as well God chooses preachers How unlikely how odd is it that God should entrust the proclamation of the gospel to well us This unpredictable electing God reaches out to save the world and then leaves it in the hands of preachers to get the word out Through us through our stammering tongues and faltering hearts the preached word becomes the Word of God If you wonder why you drag yourself into the pulpit every Sunday if you worry that your sermons aren't reaching past the front pew then read this book and be encouraged God chooses God chooses preachers God chooses you **Living Water** Brother Yun, 2008-09-23 In *The Heavenly Man* you learned the story of how God took a young half starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ braving horrific opposition and impossible odds *Living Water* is a collection of Brother Yun's dynamic teachings that evolved from his life experiences of persecution and revival in China Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today This unique book teaches us that radical faith is not for a chosen few but for every believer who dares to call Jesus Christ Lord **Being Transformed from Glory to Glory** David E. Africa Abas Hasantu, 2019-08-20 Abas was born in the sixties. He never knew his name would be the source of his future obstacles. Throughout his childhood, Ethiopia was experiencing a political uprising and the country was on the verge of war. Through the betrayal of a dear friend, the little boy had to run four hundred miles to the capital to escape his hostility. There, Abas met many complications to completing the education needed to fulfil his dreams. Nevertheless, the impact remaining from the displacements and the instability of his birth country demanded the young boy to pray relentlessly as he ran for his life into the unknown. With disaster after disaster, he became a stray cat. Then one day, the world placed a gun upon him and forced him to transform into a cat man soldier. One can be a refugee, but through faith and persistence, The Cat Man at the Horn of Africa is a tale of how one can still change one's fate.
