Education, 1992 **From Fear to Courage** Susie Linder-Pelz, 2002 How important is work to your wellbeing? Before you answer, think about this: if you work an 8 hour day, travel an hour, have an hour for lunch, usually at or near work, and sleep 8 hours, you've only 6 hours for everything else. Suddenly it becomes very clear why having a fulfilling and satisfying career is so important. Yet with the massively changing world of work, there is widespread dissatisfaction and fear surrounding our ability to find work, keep it, and enjoy it. For many people, the unspoken issues of fear and lack of confidence have a devastating impact on their careers and lives. These are the issues addressed in *From Fear to Courage*. Through the diary notes of career coach Dr. Susie Linder-Pelz, we meet people of differing ages, backgrounds, and occupations, each experiencing a real life career crisis. For example, a chirpy marketing professional reaching 40 and feeling trapped, a regretful teacher, a fear-filled generation X training consultant, and a midlife manager made redundant. *Overcoming Job Burnout* Beverly A.

Potter, 2009-05-01 Job burnout is something that doesn't simply go away, especially in a chaotic economy. It is a kind of job depression caused by feelings of powerlessness, the loss of control over one's work. The effect can be devastating. The victim dreads going to work. Productivity falls, and life becomes increasingly difficult. Burnout is stressful, but it is not caused by stress. Going on a vacation provides relief until the vacation is over, and one must return to the job. *Overcoming Job Burnout* describes how burnout can take hold and how to turn it around. Dr. Potter offers eight proven strategies for increasing personal power and renewing enthusiasm for working. A combination of inspiration and instruction, this updated, revised edition is filled with practical advice based on the author's years of experience in this field that readers can implement immediately to renew that sense of engagement and excitement that makes working worthwhile.
