fragments from a life in agony as one woman attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have taken from her It s all here the daily records over months then years the diary entries the self blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything Christina s book gives us faith that she is right Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of Coercive Control How Men Entrap Women in Personal Life Oxford 2007 **Never Goin' Back** Al Roker,2012-12-31 What s holding you back What excuses are you making up that are stopping you from living your best life I used them all and look where that got me Are you ready to stop living insane and get real with yourself Al Roker s aha moment came a decade ago Closing in on 350 pounds he promised his dying father that he wasn t going to keep living as he was That led to his decision for a stomach bypass and his life changing drop to 190 But fifty of those pounds crept back until he finally devised a plan and stuck to it Never Goin Back is Roker s inspiring candid and often hilarious story of self discovery revealing a slimmer side of his life that no one knows With illuminating and sometimes painfully honest stories about his childhood his struggle against the odds to make something of himself and his family life today Roker reveals the effects that a lifelong battle with weight issues can have on a person and how regardless of the frustration and setbacks you must never lose faith in yourself just inches Most important he knows that losing weight is as much if not more a state of mind as of body That s why he s here to recharge your willpower and see you through it like a friend with warmth humor and a healthy new outlook on life **Wisdom for Today Along Recovery Lane** John S.,2008-11-18 **Courage for Life** Ann White,2025-10-07 If you have been searching for a way out of wherever you are or whatever you are going through Ann White provides a path and a process to take the next best step to a better life the life God has made you for and called you to Steve Arterburn Founder of New Life Ministries No matter what you re going through fear not Courage is possible We all experience some level of pain heartbreak and disappointment Yet when we ignore our need to address our emotional injuries we allow them to fester and infect every aspect of our lives including our closest relationships Take heart Your journey toward freedom begins the moment you choose to stand up and face your life with courage In Courage For Life author Ann White provides the tools you need to learn how to act more than react make intentional choices experience the power of
