Äikäs, Anna-Kaisa Salmi, 2019-09-01 Colonial encounters between indigenous peoples and European state powers are overarching themes in the historical archaeology of the modern era and postcolonial historical archaeology has repeatedly emphasized the complex two way nature of colonial encounters This volume examines common trajectories in indigenous colonial histories and explores new ways to understand cultural contact hybridization and power relations between indigenous peoples and colonial powers from the indigenous point of view By bringing together a wide geographical range and combining multiple sources such as oral histories historical records and contemporary discourses with archaeological data the volume finds new multivocal interpretations of colonial histories **The Intra-Asian Trade in Japanese Copper by the Dutch East India Company During the Eighteenth Century** Ryūto Shimada, 2006 In this definitive study of the intra Asian trade in Japanese copper trade by the Dutch East India Company the author argues that the trade in this commodity reaped high profits Despite the huge imports of British copper by the English East India Company during the eighteenth century the Dutch Company successfully continued to sell Japanese copper in South Asia at higher prices Compared to the capital intensive development of British mines in the age of the Industrial Revolution the copper production in Tokugawa Japan was characterized by a labour intensive revolution which also made a big impact on the local economy

Karin Bergoo Larsson and the Emergence of Swedish Design Marge Thorell, 2018-11-27 Identified as the first designer of what would become known as Swedish Modern by the National Museum of Women in the Arts in Washington D C Karin Bergoo Larsson 1859 1928 was a mother of eight and wife to Sweden's beloved painter Carl Larsson Herself a well regarded artist she gave up painting when she married at the request of her husband Taking up needles and cloth she then turned a somewhat ugly cottage Lilla Hyttnas in the tiny village of Sundborn Sweden into a designer showcase Inspired by the Swedish countryside she filled the home with handcrafted wall hangings bed coverings tablecloths pillow covers and even furniture of her own design while greatly influencing her husband's work by encouraging him to move away from dark oils to

more illuminating and light filled watercolors His paintings of their home made her interior designs famous and her influence continues to inform the concepts of retail giant IKEA

The Intra-Asian Trade in Japanese Copper by the Dutch East India Company during the Eighteenth Century Ryuto Shimada,2005-12-01 In this definitive study of the intra Asian trade in Japanese copper trade by the Dutch East India Company the author argues that the trade in this commodity reaped high profits Despite the huge imports of British copper by the English East India Company during the eighteenth century the Dutch Company successfully continued to sell Japanese copper in South Asia at higher prices Compared to the capital intensive development of British mines in the age of the Industrial Revolution the copper production in Tokugawa Japan was characterized by a labour intensive revolution which also made a big impact on the local economy

Power, Inc. David Rothkopf, 2012-02-28 The world's largest company Wal Mart Stores has revenues higher than the GDP of all but twenty five of the world's countries Its employees outnumber the populations of almost a hundred nations The world's largest asset manager a secretive New York company called Black Rock controls assets greater than the national reserves of any country on the planet A private philanthropy the Bill and Melinda Gates Foundation spends as much worldwide on health care as the World Health Organization The rise of private power may be the most important and least understood trend of our time David Rothkopf provides a fresh timely look at how we have reached a point where thousands of companies have greater power than all but a handful of states Beginning with the story of an inquisitive Swedish goat wandering off from his master and inadvertently triggering the birth of the oldest company still in existence Power Inc follows the rise and fall of kings and empires the making of great fortunes and the chaos of bloody revolutions A fast paced tale in which champions of liberty are revealed to be paid pamphleteers of moneyed interests and greedy scoundrels trigger changes that lift billions from deprivation Power Inc traces the bruising jockeying for influence right up to today's financial crises growing inequality broken international system and battles over the proper role of government and markets Rothkopf argues that these recent developments coupled with the rise of powers like China and India may not lead to the triumph of American capitalism that was celebrated just a few years ago Instead he considers an unexpected scenario a contest among competing capitalisms offering different visions for how the world should work a global ideological struggle in which European and Asian models may have advantages An important look at the power struggle that is defining our times Power Inc also offers critical insights into how to navigate the
