**Voices; Tormented to Life; A True Story** R. J. Donnelly, 2022-11-11 Voices tells of a world where lives are adrift in a sea of flames Such an atmosphere of dancing human remains may be hard to imagine unless it s been lived Like firebrands streaking through a black night sky Spirit things can seem a fantasy to a casual eye As for the tellings in this book they re not a glimpse aEUR but a deep gaze and the encounters of a human soul Born far apart Sue and Bob s lives began as fairytales aEUR but as fairytales will do their dreams bled out and soaked the ground Broken homes drugs alcohol and a confused moral compass led them down treacherous paths Then in 1973 while drifting through the universe their twisting

paths collided one day in the dark Bob was a violent atheist who professed he was god Sue who once aspired to be a Nun now dabbled in mysticism in her parched thirst for truth Then came the days of the Valiant ones who laid siege to our Kingdom for four months Two months in Sue prayed through the nightaEUR and when I learned of it I threatened her life God then showed her in a dream my soul now completely void of light and as she watched giant soulless birds began devouring me Two weeks later and close to death alone in my room I prayed and once I asked for forgiveness a voice above me spoke So the days of my dying ended aEUR for the days of miracles had now begun This is a true story [The 80'S Story](#) Professor Mustaafa,2011-08-19 The 80s story is one Love for family as well as vegence for family Its a creative and beautiful story that is told in a way that captivates the reader and puts them in the characters mind **Architectural Record** ,1922
