Boring,Fred B. Craddock,2004-01-01 Biblical scholars Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text *The New Testament Story* Ben Witherington,2004-04-26

This is a print on demand book and is therefore non returnable This informative clearly written book introduces the New Testament in two main ways 1 it explains where the New Testament came from and 2 it examines the New Testament writings themselves Ben Witherington first tells how and why the New Testament documents were written and collected and how they came to be known as the New Testament that we have today He then discusses the main stories and major figures in the New Testament Witherington looks particularly at the Gospels examining how and why their stories differ and pointing out what these ancient biographies actually say about Jesus He also surveys the ways that these stories were told and retold explaining how this literary development has influenced Christian theology ethics and social thought At once scholarly and accessible it really is written in plain English Witherington s guide to the origins and message of the New Testament is eminently suitable as a text for college and seminary students With each chapter followed by a section called Exercises and Questions for Study and Reflection The New Testament Story will also prove valuable to individual readers and ideal for church classes and group Bible studies **Literary Forms in the New Testament** James L. Bailey,1992-01-01 The authors

give the reader an up to date comprehensive view of forms in the New Testament that is rivalled by no other book available to readers of English Vernon K Robbins Emory University *Bible Stories (New Testament)* Richard Green Moulton,1899
