book indispensable to students and scholars of Yiddish culture Bad Water and Other Stories of the Alaskan Panhandle
Tom Hunt, 2013-06-29 Bad Water and Other Stories of the Alaskan Panhandle is a book of short stories set in southeast Alaska on an archipelago about the size of Florida. There are not many people and most of them live in a few small scattered towns. Some live in the more remote areas of the thousands of miles of coastline and hundreds of backwater bays and coves making a living at whatever is available. Alaska is a place where geography and weather dictate human behavior and that could mean eating the same dried beans, rice, deer meat, and fish for a good part of the year. With no freeways and little law enforcement, a 911 call means contacting the Coast Guard; people must learn to be self-sufficient, especially in times of emergencies. Sometimes people make their own solutions to solve problems. If a solution doesn't work and you're still alive, it's time to try another. The folks that live in this remote part of Alaska do whatever it takes to make it work. There's a freedom that can't be had in civilization, but the price is high. These are their stories **The Stories of Fannie Hurst** Fannie Hurst, 2004 A long overdue rediscovery of one of America's most prolific, important, and essential 20th-century women writers
