

AMERICA'S HIDDEN STORIES

Stories Of America

Lawton B. Evans

Stories Of America:

Stories of America, Volume 2 Charles Morris, Sonya Shafer, 2012-04 [American Tales](#) David Turnoy, 2014-03 American history can be confusing and there s so much of it to learn What if you had a guide to show you the important points firsthand A small group of intermediate students is lucky enough to have the chance to travel back in time with their history teacher to see where America started and how it developed In each new set of experiences they meet a child their own age who guides them through key events The students begin in the time of Columbus and then witness the American Revolution and the founding of the nation They travel through the tumultuous times of the Civil War and through the turmoil of Reconstruction They see history on a grand scale but also through the eyes of those experiencing the expansion of American power sometimes with unfortunate consequences In order to understand where we are now the students come face to face with the horrors of racism and the sad story of Native Americans who lost their land They also learn how a number of myths and legends about the American Revolution are not always exactly accurate but that the real facts may actually be more inspiring As you travel with these students and learn from the past you can use the knowledge you gain to help in creating a better future EXPERIENCE HISTORY AS NEVER BEFORE **Stories of America, Volume 1** Sonya Shafer, Charles Morris, 2011-04 Settle back with these stories of America s early years and watch your children s eyes light up with interest and patriotism Mr Morris s narratives originally published in 1901 make you feel as if you are listening to a kindly grandfather recounting tales from his past Volume 1 presents stories from Columbus through the Alamo about 1850 [33 True Stories Of America's Past](#) The Time Traveler, 2017-07-14 Image stepping out of your door one day and looking at the people walking by and the cars moving down the street in front of your house but they are wearing different clothes and driving different cars than the ones you were yesterday The Street is the same street your house is the same house but the people are not They dress differently speak faster and move quicker it is like everyone shifted into a different speed Well that maybe how people who lived and worked 60 years ago could feel when the compare yesterday with Today *The True Story of the United States of America* Elbridge S. Brooks, 2017-11-02 Excerpt from The True Story of the United States of America Told for Young People It has seemed advisable in view of the chain of events that have made the close of the nineteenth century notable years in the history of the Republic to bring this True Story of the United States as nearly as possible to date and thus include the stirring episode of the war with Spain This new material is here thankfully offered to those young Americans who have by their approval and appreciation made this book so gratifying a success May they live to be old Americans proud of their native land worthy of it and loyal to it as it takes position far in the van among the great nations of the twentieth century About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in

the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The True Story of the United States of America, Told for Young People Elbridge Streeter Brooks, Geraldine Brooks, 2023-07-18 This book provides a thorough and engaging overview of American history for young people It covers key events and figures from the country's founding through to the present day emphasizing the diverse cultural social and political forces that have shaped the nation It is an accessible and informative resource for young readers and anyone seeking a comprehensive introduction to American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Colonial Saga: Stories of America's Founding Families Pasquale De Marco, 2025-07-13 Colonial Saga Stories of America's Founding Families is a sweeping historical saga that brings to life the people and events that shaped the United States of America From the founding fathers to the pioneers who pushed westward this book tells the stories of the ordinary people who did extraordinary things to build a nation In Colonial Saga you will meet George Washington the first president of the United States and a towering figure in American history Thomas Jefferson the principal author of the Declaration of Independence and a brilliant statesman Benjamin Franklin a polymath and one of the most influential Founding Fathers John Adams the second president of the United States and a tireless advocate for independence Alexander Hamilton the first Secretary of the Treasury and a brilliant economic thinker You will also learn about the major events that shaped the course of American history including The Revolutionary War which saw the American colonies fight for their independence from Great Britain The Civil War which pitted brother against brother in a bloody conflict over slavery The Civil Rights Movement which fought for equality for all Americans regardless of race or ethnicity Colonial Saga is more than just a history book It is a celebration of the American spirit and a reminder of the power of ordinary people to make a difference in the world It is a testament to the enduring legacy of those who came before us and a call to action for us to continue their work of building a more perfect union Whether you are a history buff or simply someone who wants to learn more about the United States Colonial Saga is a must read This book is a powerful reminder of the values that have made America great and the challenges that we must overcome to secure a better future for generations to come If you like this book write a review

[America First](#) Lawton B. Evans, 2017-09-08 Excerpt from America First One Hundred Stories From Our Own History When children advance beyond the nursery age no story is so wonderful as a true story Fiction to them is

never as appealing as fact I have often been faced with the inquiry whether or not a story is a true one The look of gratification when told that it actually happened was most satisfying to me as a story teller The nearer a story is to the life and traditions of the child the more eagerly it is attended True stories about our own people about our neighbors and friends and about our own country at large are more interesting than true stories of remote places and people We naturally are interested in our own affairs and the nearer they are to us the greater the interest we feel About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

AMERICA FIRST LAWTON B. EVANS,2018 [America First](#) Lawton B. Evans,2017-06-21 WHEN children advance beyond the nursery age no story is so wonderful as a true story Fiction to them is never as appealing as fact I have often been faced with the inquiry whether or not a story is a true one The look of gratification when told that it actually happened was most satisfying to me as a story teller The nearer a story is to the life and traditions of the child the more eagerly it is attended True stories about our own people about our neighbors and friends and about our own country at large are more interesting than true stories of remote places and people We naturally are interested in our own affairs and the nearer they are to us the greater the interest we feel That history is just a long thrilling story of the trials and triumphs of pioneers and patriots is well known to those who have had to do with the teaching of history to youthful minds That the dry recital of political and governmental history does not interest children is also well known History should be made vital vibrant and personal if we expect children to be stirred by its study To gratify the love of children for the dramatic and picturesque to satisfy them with stories that are true and to make them familiar with the great characters in the history of their own country is the purpose of this volume It is hoped that through appeal to youthful love of adventure this collection of stories covering the entire range of American history will stimulate the ambition and strengthen the patriotism of those young citizens whose education has been the constant concern of the author for many years **American Stories** H. W. Brands,Timothy H. Breen,William Smith Mason Professor of American History T H Breen,R. Hal Williams,Ariela J. Gross,2014-06-26 Explore America s rich and complex past in this accessible presentation of American history Using a streamlined and powerful narrative the authors take readers beyond an assortment of facts to tell the story of our nation American Stories covers the essential elements and events in American history and uses significant incidents and episodes to reflect the dilemmas choices and decisions made by the American people as well as by their leaders This title is available in a number of formats digital and print Pearson offers its titles on the devices students love through Pearson s MyLab products CourseSmart Amazon and

Evans, Milton Bradley Company, 2019-03-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The True Story of the United States of America](#) Elbridge S. Brooks, 2015-07-23 Excerpt from *The True Story of the United States of America Told for Young People* The story of the United States of America has already been told and re told for young Americans by competent writers and yet there is room for another re telling To avoid as far as

possible the dreary array of dates and the dull succession of events that may comprise the history but do not tell the story to awaken an interest in motives as well as persons in principles rather than in battles in the patriotism and manliness that make a people rather than in the simply personal qualities that make the leader or the individual is the aim of the writer of this latest Story The future of the Republic depends on the upbringing of the boys and girls of to day Any new light on the doings of the boys and girls of America s past when they grew to manhood and womanhood should be of service to the boys and girls of America s to day and to morrow The hope that this volume may help as such a light has inspired its author to write as concisely and as simply as he is able the story of the great Republic s origin development and growth from the far off days of Columbus the discoverer to the nobler times of Washington the defender and Lincoln the savior of America s liberties It has seemed advisable in view of the chain of events that have made the close of the nineteenth century notable years in the history of the Republic to bring this True Story of the United States as nearly as possible to date and thus include the stirring episode of the war with Spain This new material is here thankfully offered to those young Americans who have by their approval and appreciation made this book so gratifying a success May they live to be old Americans proud of their native land worthy of it and loyal to it as it takes position far in the van among the great nations of the twentieth century About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Stories of Great Americans for Little Americans Edward Eggleston, 2022-09-15 Stories of Great Americans for Little Americans is a seminal collection that offers a captivating portrayal of notable figures in American history tailored specifically for a younger audience Edward Eggleston employs a narrative style that is both accessible and engaging combining vivid storytelling with moral lessons that resonate with young readers Set against the backdrop of post Civil War America this work serves as an early example of juvenile literature that seeks to instill national pride and a sense of identity through the stories of historical icons cleverly intertwining both fact and fiction to educate while entertaining Edward Eggleston a prominent historian and author of the 19th century was deeply invested in the American historical narrative and its educational implications His own experiences growing up in Indiana during a transformative period in American history undoubtedly shaped his vision of crafting a series that could inspire and inform the nation s youth Eggleston s passion for literature and education is evident in his commitment to fostering a love of reading in children reflecting his belief in the power of stories to shape character and ideals This enchanting collection is highly recommended for educators parents and young readers alike offering an engaging introduction to America s rich history Through Eggleston

s masterful storytelling children will not only learn about great figures like George Washington and Abraham Lincoln but also develop a lasting appreciation for the values of courage integrity and perseverance that these figures embody **America first** Lawton Bryan Evans,1942 *Short Stories of the New America* Mary Augusta Laselle,2025-03-28 Short Stories of the New America Interpreting the America of this age to high school boys and girls offers a compelling glimpse into the American experience during and after World War I This collection of short stories captures the spirit of patriotism and explores the evolving American identity in the face of global conflict Originally intended for high school students these stories provide unique perspectives on the social and emotional impact of the war Through meticulously crafted narratives Short Stories of the New America delves into the complexities of the era The stories illuminate the shifting landscape of the United States in the early 20th century A valuable historical document this collection provides a window into a pivotal moment in American history offering readers a chance to understand the challenges and triumphs that shaped the nation A perfect resource for anyone interested in World War I American history or the power of short fiction to illuminate the past This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The American Story: 100 True Tales from American History* Jennifer Armstrong,2006-08-22 American history comes alive in these 100 true stories that define our country This magnificent treasury tells the story of America through 100 true tales Some are tales of triumph the midnight ride of Paul Revere the Wright brothers taking to the air Neil Armstrong s first steps on the moon Some are tales of tragedy the fate of the Donner Party the great fire in Chicago the eruption of Mount Saint Helens There are stories of inventors and athletes and abolitionists and artists Stories about struggling for freedom again and again in so many ways With full color illustrations on nearly every page and short exciting stories this book is perfect for browsing by the entire family Notes at the end of each story direct readers to related stories And a guide to thematic story arcs offers readers and teachers an easy way to follow their particular interests throughout the book A treasure trove of a book that belongs in every home This lively and engaging collection of stories recounting American history is a wonderful gift not only to the children of this country but also their parents I can t wait to share it with my grandchildren Tom Brokaw **America's Story 1 (Student)** Angela O'Dell,2017 A Charlotte Mason Inspired Journey Through American History History comes alive in the stories and adventures of explorers and pioneers who saw in America the chance to live a dream to freely worship God to have a chance to own land and search for wealth and opportunities In America s Story 1 your student will Learn about those who lived thrived in the Americas
