Here and Now Paul Auster, J. M. Coetzee, 2013-03-07 A civilized discourse between two cultivated and sophisticated men It s a pleasure to be in their company Michael Dirda The Washington Post An extended meditation on the processes of friendship Here and Now has something substantive to offer The New York Times Book Review After a meeting at an Australian literary festival brought them together in 2008 novelists Paul Auster and J M Coetzee began exchanging letters on a regular basis with the hope they might strike sparks off each other Here and Now is the result a three year epistolary dialogue that touches on nearly every subject from sports to fatherhood literature to film philosophy to politics from the financial crisis to art death marriage friendship and love Their high spirited and luminous correspondence offers an intimate and often amusing portrait of these two men as they explore the complexities of the here and now and reveal their delight in each other s friendship on every page *Here and Now* Lexi Ryan, 2014-10-22 This omnibus edition includes all three full length novels from the USA Today Bestselling Here and Now Series *Lost in Me* *Fall to You* and *All for This* Torn between the man she s always wanted and the rocker she can t remember and can t let go When an injury leaves Hanna Thompson without her last year of memories she wakes to a perfect life right down to an engagement ring from her unrequited love Max Hallowell But each day makes her question if she has the life she always wanted or if she s been living a lie As she searches for answers every path leads to rocker Nate Crane And Nate wants her for himself Sexy twisty and utterly addictive Clear your schedule An amazing read NYT Bestselling Author Kendall Ryan *LOST IN ME* The last thing I remember is having drinks at Brady s and trying to avoid eye contact with my life long crush the gorgeous unattainable Maximilian Hallowell They tell me that was a year ago but I have no memories of anything since then What I do have is this ring on my finger that Max says he gave me and this much thinner body I ve dreamed of most of my life Aside from a case of retrograde amnesia everything seems almost perfect But the deeper I immerse myself into this new world of mine planning a wedding to a man I don t remember dating attempting to run a business I don t remember starting the clearer it becomes that nothing is as it seems Do I have the life I ve always wanted or is it a facade propped up by secrets I don t even know I have I need answers before I marry Max and the only person who seems to have them is the angry tatted sexy as sin rocker Nate Crane And Nate wants me for himself *FALL TO YOU* Torn between two men When I woke up after the accident I couldn t remember anything from the last year including my relationship with Max Hallowell or anything about Nate Crane Now my memories are returning but instead of answering my questions they re leaving me with more The man who broke my heart and wants to be my future Max is all I ever wanted and now he wants to marry me He ll do everything he can to fill my life with love family and security I need those things now more than ever But can I trust him The man who stole my heart and wants to let me go Nate never made me promises and I never asked him to I d been on the rebound looking for a distraction and he made me feel beautiful and wanted when I needed to feel those things most He says he has to let me go but what if I can t let go of him With every

revelation and every passing day I feel more like Alice down the rabbit hole I m falling Who will catch me ALL FOR THIS What if you would never remember the day you made the most important decision of your life That s what they re telling me about the day of my accident the day I put on Max s ring and chose him over Nate I m counting on the wisdom behind a decision I don t remember making Max is amazing sexy sweet and kind I was starting to believe happily ever after might be in my future after all Then the unthinkable happened and my world imploded If I m going to make this work with Max I need my missing memories or at least answers from about those five days before my accident But what does my future hold if those answers aren t anything like I imagined *HERE AND NOW* Innisai Aranganathan,2024-02-03 What is past is left behind The future is yet unreached Whatever quality is present You clearly see right there Not taken in unshaken That is how you develop the heart Gauthama Buddha Do you find yourself hopping from one task to another juggling and multitasking in a desperate attempt to stay afloat in the endless sea of tasks laid out before you Do you ever wish you could pause the button in your ceaseless race against time Dr Innisai Aranganathan guides the path towards the art of mindful living through simple practices which can be easily inculcated in one s day to day challenges She beautifully teaches how to be fully engaged with whatever is happening right here right now without your mind playing hopscotch between the past and future Once learnt the experience is so lovely that the sense of who you are what you do where you come from and whatever the plan is for tomorrow all vanish for a moment you find yourself being the fantastic you Here and Now the book beautifully illustrates and unravels the mysteries of mindfulness with stories quotes and practical exercises that will tickle your curiosity and light the path to inner serenity It will help you to lead a mindful peaceful and successful life Happy reading **Here and Now** ,1948

**Here and Now** Youngjoo Son,2013-10-15 Working at the crossroads of contemporary geographical and cultural theory the book explores how social spaces function as sites which foreground D H Lawrence and Virginia Woolf s critiques of the social order and longings for change Looking at various social spaces from homes to nations to utopian space brought into the here and now the book shows the ways in which these writers criticize and deconstruct the contemporary symbolic physical and discursive spatial topoi of the dominant socio spatial order and envision a more liberating and inclusive human geography In addition the book calls for the need to redress the tendency of some spatial theories to underestimate the political potential of literary discourse about space instead of simply and mechanically appropriating some theoretical concepts to literary criticism One of the central findings in the book therefore is that literary texts can perform subversive interventions in the production of social space through their critical interaction with dominant spatial codes **Standing Stones Peace Here and Now** Jeja Rera,2011-04 *Here and Now!* Pat Martino,2011-09-01 Book By age 16 Pat Martino was already working as a member of R but more important learning to transcend the instrument itself and live his life completely in the moment More than just the remarkable story of one of the most original and profoundly influential guitarists in jazz history this extraordinarily revealing autobiography is also a survival manual of sorts in overcoming
