**Stories of Old New Spain** Thomas Janvier,2016-05-02 One of the greatest good fortunes that can befall a romancist is to have a locality an epoch and an apprehension all his own This fortune is given to Mr Thomas A Janvier Mexico in its earlier days of American exploitation and viewed by a man of romantic temper and practical habits of mind affords large scope for tragedy comedy humor fancy realism and all else that makes the variety and power of fiction Mr Janvier s work is now and then a trifle melodramatic and improbable in its events But we hold that the glory of romance is to idealize without contradicting truth and Mr Janvier shows Mexican life with all its picturesque contrasts in an atmosphere of artistic verity uncommunicable by statisticians or personally conducted excursionists Of the various stories in this volume none has greater charm than the tenderly humorous sketch of San Antonio of the Gardens the story of the dear old monks

who cherished the cat delivered to him homilies against the dove eating instinct and feared in their tender consciences that their vow of poverty might be broken in keeping a lame donkey Other stories as Ninita Pancha and The Flower of Death are tragedies of the love of passionate Mexican girls for the blond Americans Saint Mary of the Angels is a strong narrative of love contending with duty and re enforced by death Mr Janvier s stories will be deservedly popular brilliant vigorous full of spontaneous sentiment they appeal to the desire for the marvelous and the veritable together the combination that opens the ears of the hearers of stories and holds them to the end The Literary World A Monthly Review of Current Literature Vol 22
