Stories Of Teaching:

Powerful Classroom Stories from Accomplished Teachers Adrienne Mack-Kirschner, 2003-10-30 National Board Certified Teachers invite us into their classrooms to witness 70 inspiring stories reminding us that we are not only teachers but also parents mentors friends and leaders

Why I Teach Esther Wright, M.A., 2011-08-10 A Celebration of the Power of Teaching There is a moment for most teachers when the lure of working with kids surpasses all logic You know you just know that you are meant to teach But in the day to day crush of details and bus duty politics and paperwork or kids without their homework for the eighth day in a row life can erode passion and distract you from your sense of purpose This collection of stories from teachers everywhere will remind you of those magic moments when a light goes on in the eyes of a child when resistance breaks when hearts connect moments that make the challenges of teaching worth every second and remind you of why you are here in the first place

Chicken Soup for the Soul: Teacher Tales Jack Canfield, Mark Victor Hansen, Amy Newmark, 2011-02-01 Chicken Soup for the Soul Teacher Tales brings much needed inspiration to teachers and brings together great stories about teaching from the 2009 National Teacher of the Year and all the 2009 State Teachers of the Year as well as other teachers and stories of thanks from students A great teacher gift all year round There s always that one special teacher or student and Chicken Soup for the Soul Teacher Tales regales all educators with its heartfelt inspiring and humorous stories from inside and outside the classroom Stories from teachers and students about their favorite memories lasting lessons and unforgettable moments will uplift and encourage any teacher A foreword by Anthony J Mullen 2009 National Teacher of the Year and stories from all the 2009 State Teachers of the Year

[My First Year in the Classroom](#) Stephen D. Rogers, 2009-08-18 When the student is ready the teacher will appear Lao Tzu But is the teacher ready That s the question that challenges every teacher on that fateful first day in the classroom Making it through that day and the 179 school days that follow is how every career in education and lifelong learning truly begins In My First Year in the Classroom you ll laugh cry and undeniably empathize when you read about these fifty teachers trials tribulations and triumphs they ve experienced during their first year on the job Organized along the lines of the school calendar these touching tales will illustrate for you the learning curve ex experienced by new teachers as they Face day on meet the students surprise the students bond with faculty and staff be surprised by the students watch the students bloom say farewell From the hilariously obsessive compulsive preparation of a rookie English professor to the poignant lesson a bold third grader imparts upon his novice teacher about love and acceptance this moving collection is sure to motivate you whether you ve been teaching for years or days

[A Heart Full of Children](#) Lisa Marie Scotto, 2013-02-16 An accountant s head is full of numbers A banker s head must be full of money A writer s head is full of words a plumber s is full of pipes and a musician s full of music A teacher s head of course is full of children I remember them all Teachers and parents have long memories We remember all the wonderful and not so wonderful things about our children We think we are teaching them but when we really stop to think

about it they are teaching us And what do we learn We learn to live with passion to stand on tip toes to pull ourselves up when we fall down and to see the world with wonder These stories will help teachers and parents remember that wonder For the key to wonder is not found in the head but in the heart Lisa Marie Scotto is a mother stepmother grandmother teacher and author of Wake Up and Smell the Dirty Diapers Stories for Tired Parents Her column A Parent's View has been helping parents cope for over twenty years This book includes some of her best stories from school History Through Stories Chris Smith, Adam Guillain, Nanette Noonan, 2016-07-13 Part of a complete approach to learning and improving literacy using storytelling from Storytelling Schools which offers resources and training for teachers The Power of Story Rives Collins, Pamela J. Cooper, 2005 A guide to developing storytelling skills includes examples techniques and interviews with many storytellers **Chalk It Up** Peter M. Clutterbuck, Katharine Smith, Heddon Publishing, 2014-10-18 Chalk It Up is a set of entertaining short stories written by international educational author and retired teacher Peter M Clutterbuck Based around the lives of teachers their interactions with students and colleagues and the sometimes unusual situations they find themselves in as a result of their work the stories in this brilliant collection throw a light on what it means to be a teacher as well as highlighting how the profession has changed over the last few decades Readers will quickly warm to the book's characters as the tales sometimes thought provoking sometimes sad often funny unfold Peter M Clutterbuck was a teacher for over 40 years His closeness to the subject and firsthand experience of the types of characters portrayed in the stories is clear from the realism and sensitivity evident throughout the book While the stories will appeal to those familiar with the profession Chalk It Up is by no means just for teachers It offers all readers a fascinating insight into the challenging world of education **Teacher's Stories, Teacher's Lives** Carola Conle, 2006 In this book we demonstrate a mode of teacher education that is practical in a non technical sense and relies on Dewey's notion of curriculum as the reconstruction of experience We present a curriculum that emerged through collaborative self reflection and seeks to reconstruct personal histories of schooling As four former preservice teachers and their instructor we engaged in jointly constructed autobiographical inquiry in order to generate data on our own past and on our current histories of teaching and learning We wanted to illuminate parts of our lives in schools that until now belonged to our normal and taken for granted past We did this in order to enjoy certain degrees of awareness and choice as to which of our living stories to reinforce and which to let run out in our classrooms today **Stories of the Courage to Teach** Sam M. Intrator, 2007-08-17 WISE STORIES TO HONOR AND ENCOURAGE THE HEARTS OF TEACHERS A heartwarming collection of essays about the doubts passions insecurities and life changing moments of teachers American School Board Journal Our history books are filled with examples of the efforts of committed education employees who helped to make this country what it is today Stories of the Courage to Teach challenges today's teachers to see themselves not only as school employees dedicated to serving children but as leaders in their schools and communities Bob Chase president National Education Association It's the worst kept secret in

education the passionate and talented teacher makes more of a difference than any school policy Yet for all the ink spilled over school reform little gets written about what makes a great teacher tick Stories of the Courage to Teach by Sam Intrator bucks this trend by looking into the hearts of twenty five effective teachers knitting together their first person narratives with his own ideas about great teaching New York Times The teachers featured in this anthology have all at various junctures been on the verge of exhaustion and the book is in many ways a sustained meditation on how they ve sought to regain their emotional and spiritual strength Teacher Magazine Stories of the Courage to Teach honors teachers who struggle to rekindle their passion for teaching Christian Science Monitor

For the Love of Teachers Todd Whitaker,2013-05-07 For the Love of Teachers is a tribute to those who possess the remarkable ability to exercise patience and understanding and to offer guidance along an unfamiliar path The influence these dedicated teachers have is reflected in many of the goals their students set and achieve every day whether learning to tie their shoes memorizing multiplication tables or excelling on the SATs all basic steps which are vital to their growth and self esteem For this reason among many others the importance of these positive role models in our children s lives as well as our own can t be stressed enough For the Love of Teachers is the ideal way to express the admiration and appreciation we share for them The reasons why someone chooses to teach isn t always clear but what many teachers have in common is the desire to make a difference in the lives of others a task that can be bittersweet For the Love of Teachers is filled with inspiring stories that do just that Some are warm humorous and heartfelt while others illustrate difficult or unexpected situations with the lessons learned along the way Readers will identify with many of the students who recall that special teacher who challenged them to find their hidden talent motivated them to push a little harder or to simply surpass their own expectations For the Love of Teachers is a special way of saying thanks to all the teachers who ve sacrificed their time to better the lives of others

Teaching Stories Judy Logan,2010-08-10 When nearly everyone else is telling kids no No do it this way No I don t want to hear what you think No sit down and pay attention Judy Logan says yes to a child s passions interests and hopes The results have been news making her students blossom academically winning essay contests prizes and entrance to the country s best colleges Armed with a strong sense of who they are and what they think her students also blossom personally resisting peer pressure understanding racial and gender stereotypes and connecting to the world in which they live Drawing on over thirty years knee deep in adolescence as a teacher in a public middle school Judy Logan shows that it is the very vulnerability of adolescence that makes it a time of tremendous opportunity for emotional intellectual and social growth Uniting creativity and compassion Logan s vivid classroom stories bring into focus for all parents numerous effective strategies for working with adolescents Above all Judy Logan is a compelling storyteller who loves and respects her students and the work of learning Eye opening and inspirational the stories she has to tell take the simple human drama of day to day classroom life and create an all embracing vision of the possibilities of public education in America
