Stories of the English Artists 1600 to 1851 Randall Davies, Cecil Hunt, 2014-03-29 This Is A New Release Of The Original 1908 Edition [Stories of the English Artists from Vandyck to Turner, 1600-1851 \(Classic Reprint\)](#) Randall Davies, 2017-05-19 Excerpt from Stories of the English Artists From Vandyck to Turner 1600 1851 The inclusion of Vandyck Lely Kneller Fuseli Raeburn and Wilkie as English artists possibly requires some comment The first named four though undoubtedly of foreign extraction made this country the home of their adoption and here they did their principal work in England and for English patrons In the case of Raeburn and Wilkie if the same excuse is not allowed to serve and if any patriotic Scotsman resents their being numbered among the English we must defend our selves by urging that Wilkie settled in London very early and Raeburn rather late in his career and that both were prominent members of the English Royal Academy With the exception of Rowlandson whose reputation is founded upon work in pen and ink and wash and Turner who was a master in nearly every medium the artists selected painted chiefly if not exclusively in oil colour The stories of the painters in water colour a branch of art so thoroughly English in its origin and development might well form the subject of a separate volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
