The MX Book of New Sherlock Holmes Stories - Part XIV

David Marcum, 2019-07-08

In 1881 a weary doctor, wounded while serving in the military in Afghanistan, returned to London only to be introduced to a most unusual young man who was already making a name for himself as the world's first consulting detective. At that time the young man and his unique colleague were only just in their late twenties, unaware of their legendary futures, but they would go on to become two of the most famous and recognizable figures in the world: Sherlock Holmes and Dr. John H. Watson. In 1887 Holmes and Watson's first investigation as a team, *A Study in Scarlet*, was published. *The Sign of Four* followed in 1890 and then in 1891 the world was electrified with the publication of *The Adventures of Sherlock Holmes* in the newly formed Strand Magazine, and the world would never be the same. Through the remainder of the nineteenth century and all the way through the twentieth, Holmes and Watson's fame would grow. We're now well into the twenty-first century, yet the much-loved duo are just as popular today, if not even more so. In 2015 *The MX Book of New Sherlock Holmes Stories* burst upon the scene, featuring stories set within the canon's correct time period, written by the very best of today's Sherlockian authors from around the world. That first anthology spread over three huge volumes, contained sixty-three stories, and was the largest collection of its kind assembled at the time. Response was immediately and overwhelmingly positive, and soon there were calls from fans for additional collections. Over 150 contributors so far have joined together from around the world to produce well over three hundred new adventures to honour Sherlock Holmes, the man described by Watson as the best and wisest whom I have ever known. We now proudly present Parts XIII, XIV, and XV, three volumes which break the record of the initial triple offering with an incredible sixty-six new adventures featuring the eternal duo, Watson and Holmes. Part XIV in the popular MX series of new Sherlock Holmes stories features contributions from Charles Veley and Anna Elliott, Mark Sohn, David Marcum,
