Dissertation Abstracts International ,1999 **Meta Willy - Waller** Witteney Macdonald,2024-01-11 Debut novel by Whitteney R J crafting a story from time spent in high tech physics to the tough world of endurance training Written in forms of collected stories that might help you train for the olympics or your local marathon not necessarily in that order **The Appearance of a Hero** Peter Levine,2025-08-22 Levine s stories are riveting and subtle shot through with a muted wisdom

and palpable compassion Publisher's Weekly Tom Mahoney is the golden boy everyone knew in school good looking charming an athlete sought after by women the envy of men His success in life seems a foregone conclusion In The Appearance of a Hero Tom navigates the passage into adulthood his story chronicled from every perspective but his own Tom crisscrosses the country in search of direction affecting the lives of everyone he meets The recounting of his illicit affair with an older colleague reveals a young man unprepared for the emotional entanglements that come with love Tom's father Stuart struggles to reconcile Tom's splendor with his shortcomings as he watches his only child fail to live up to expectations A young couple befriends an unsuspecting Tom attempting to extract the very qualities others find so alluring about him For an aging tennis partner Tom serves as a lens through which the man is able to understand his early years of fatherhood A girlfriend enamored by Tom attempts to isolate him with shocking consequences As the mythology surrounding Tom grows richer Tom struggles to understand what exactly has eluded him and in stories that grow increasingly desperate and heartbreaking we begin to see that being an icon is not all it's cracked up to be In this haunting short story collection Peter Levine offers a portrait of a hero for the twenty first century a man whose legend is constructed not by himself but by those around him all desperate for someone to idolize
