Storm Trouble:

Storms of Life Oyetutu Osibajo, 2017-02-15 This book demonstrates the awareness of storms and how real storms are based on individual experiences and Biblical application Storms of life cannot be prevented except through God's grace and intervention This book makes us realize that there are different types of storms unexpected storm instant storm or financial storm to mention a few Whatever type of storm it may be it gives no notice before it manifests Storm is no respecter of any one it does not care about whom you are or your personality It does not recognize whether you are prayerful or not but it will strike The storm brought us sadness and hurt and some famine but yet we still rise by His Grace The book exposes us to the facts that there will be storms in life Storms are unpredictable and we should not allow our faith to be moved during the storm because there are times we feel like we have lost the battle However just as surely as the Lord is in control of our blessings He is in charge of our storms When things look the bleakest God will show up There is always an entry and exit to every storm The test always brings testimony if we put Jesus in the middle of the Storm It is safer in the storm with Jesus The book indicates various ways we can deal with storms of life without allowing it to affect our health During the storm we need to focus on God and take advice from the right people We should have faith and act to stop the storm Self pity cannot help but a courageous mind that will not accept defeat The storm is temporary and you will overcome it by God's Grace through praying and trusting in the Lord

Storms... in Our Lives Hannah T. Merritt, 2010-05 In 1950 farming was the primary way of providing for one's family Dad was very controlling and he decided that his entire family would be productive Mother had a newborn baby and Hannah was chosen to baby sit at age five She felt insecure and the challenge was overwhelming Living with Dad was difficult because he was abusive negligent and very opinionated His priorities were not up to standards and Mother's opinion was not valued Her siblings were denied a chance to acquire a formal education They were reluctant to speak up because they too feared lashes from Pharaoh's whip Mom was passive but she kept the faith that her children would overcome the hardships begin again and prosper God saw them through the difficult times It is always something and always will be However life goes on One must carefully set his or her goal and work drive or push toward it continuously Never give up nor be afraid of failure If failure comes try again If this book does not convey anything else all readers who open its cover will keep a strong faith throughout their lives Endurance is the master key and perseverance is the door
