Reece,1994 *Mariners Weather Log* ,1984 **French Kiss** Chantal Hebert,2011-01-21 Chantal Hebert's first book is both a post mortem of the Canadian federation that died on January 23 2006 the night of the last federal election as well as a brilliant examination of our changing political future one that involves living with Quebec rather than just wooing it On that night award winning political writer and broadcaster Chantal Hebert stood in a Calgary convention hall with 2 000 Alberta Conservatives who were raucously cheering the election of ten Tory MPs from Quebec The Conservatives would not have gotten their man in office without Quebec and now the future success of the Harper government hinges on turning this one night stand into a long term relationship More than ten years ago the Quebec Alberta coalition cobbled together by Brian Mulroney dissolved leading to the births of the Bloc Québécois and the Reform Party As a result Alberta and Quebec took their marbles out of federal play and Ontario got to run Canada Have we now come full circle By the time this book is published the Liberal Party of Canada may have morphed into the Liberal Party of Ontario or Toronto And the Canadian Left will have chosen a camp in preparation for a decisive federal election battle Provocative and always worth listening to Chantal Hebert is at her savvy and insightful best in *French Kiss* No Canadian can be truly informed on the subject of Canadian politics without the benefit of her non partisan commentary *As We Forgive* Catherine Claire Larson,2009-05-26 Inspired by the award winning film of the same name If you were told that a murderer was to be released into your neighborhood how would you feel But what if it weren't only one but thousands Could there be a common roadmap to reconciliation Could there be a shared future after unthinkable evil If forgiveness is possible after the slaughter of nearly a million in a hundred days in Rwanda then today more than ever we owe it to humanity to explore how one country is addressing perceptual social psychological and spiritual dimensions to achieve a more lasting peace If forgiveness is possible after genocide then perhaps there is hope for the comparably smaller rifts that plague our relationships our communities and our nation Based on personal interviews and thorough research *As We Forgive* returns to the boundary lines of genocide's wounds and traces the route of reconciliation in the lives of Rwandans victims widows orphans and perpetrators whose past and future intersect We find in these stories how suffering memory and identity set up roadblocks to forgiveness while mediation truth telling restitution and interdependence create bridges to healing *As We Forgive* explores the pain the mystery and the hope through seven compelling stories of those who have made this journey toward reconciliation The result is a narrative that breathes with humanity and is as haunting as it is hopeful **Monthly Weather Review** ,1999 **Ravenous Things** Derrick Chow,2022-07-26 Beautifully written and spectacularly spooky *Ravenous Things* is an instant new favorite Claribel Ortega New York Times best selling author of *Witchlings* Climb aboard the midnight train *Things* wondrous and terrible await you Twelve year old Reggie Wong has a quick temper that's always getting him into trouble at school while at home his mom struggles to get out of bed let alone leave their apartment That's

why Reggie desperately needs his dad back One problem His dad is dead Enter the Conductor a peculiar man who promises to make Reggie s wish to see his father just one more time come true All he must do is climb aboard the man s subway train which leaves St Patrick Station promptly at midnight Desperate to have his dad and happy family back Reggie takes him up on the offer only to discover the train is filled with other children who have lost a loved one just like him As he speeds through the wild uncharted tunnels beneath the city Reggie meets Chantal an annoyingly peppy girl obsessed with lists and psychiatry and Gareth his arch nemesis and bully since the fourth grade As each kid steps off the train and into the arms of their lost family member Reggie can t believe his impossible wish is about to come true But when Reggie comes to the end of the line and sees his father waiting for him he soon discovers all is not as it seems He and his unlikely new friends have been ensnared in a deadly trap Together the three must find a way to foil the Conductor s diabolical plot and find their way out of the underground subway where horrors worse than they have ever imagined lurk around every corner The rats of St Patrick Station have taken over and they re absolutely ravenous In this stunning debut author Derrick Chow reenvisions the tale of the Pied Piper Both terrifying and hauntingly beautiful Chow masterfully uses literal and figurative monsters to explore the themes of grief and how we handle loss
