Sydney Sharpe, Don Braid

Storming Babylon Preston Manning And The Rise Of The Reform Party:

The Rise of the New West John F. Conway,2014-05-30 This one volume history chronicles a 150 year history of dramatic changes in fortune and attitudes in western Canada From the Riel Rebellions and the Winnipeg General Strike to the founding of the CCF Social Credit and Reform parties Canada s West has always been a hotbed of political social and economic change In the early twentieth century those calls for change emanated from the left as farmers and workers fought for social and economic justice In the past two decades the protests and calls for change emanated from the right as the region gained a new role for itself in Canada This history chronicles the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow Stockwell Day and Lorne Calvert and the emergence of Stephen Harper and the federal Conservatives It describes how the West the political wellspring of progressive changes over the years has been transformed into the bastion of the right culminating in the virtual annihilation of the NDP in Saskatchewan the cradle of social democracy in Canada This is the updated fourth edition of John Conway s classic book originally published under the title *The West Storming Babylon* Sydney Sharpe,Don Braid,1992 [Rebuilding Canadian Party Politics](#) R. Kenneth Carty,William Cross,Lisa Young,2007-11-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada s national politics for several decades and about the ongoing struggle to build its successor *Rebuilding Canadian Party Politics* discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Qu b cois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today [Interest Groups and Campaign Finance Reform in the United States and Canada](#) Robert G Boatright,2011-03-03 Interest groups shape tactics in response to restrictions on campaign activities

The Tragedy of Social Democracy Sirvan Karimi,2015-12-01T00:00:00Z *The Tragedy of Social Democracy* is about the rise fall and future of social democracy as a politico ideological force a force that was believed would democratically transform capitalism into socialism Instead of democratizing capitalism social democracy was itself liberalized by capitalism Why has social democracy gravitated into the magnetic field of neoliberalism Who can be blamed for such a tragedy Can social democracy reverse its political and ideological eclipse Numerous books and articles have been written on social democracy and its political viability has continued to be the subject of debate among left wing intellectuals In *The Tragedy of*

Social Democracy Srivan Karimi sheds light on the innate structural vulnerability of social democracy to progressive degeneration Karimi theorizes the transformation of social democracy and establishes a structural linkage between its rise ascendancy and subsequent decline since the theoretical raid of neoliberalism on Keynesianism in the 1980s and highlights certain public policy measures that are indispensable to the social democratic renewal that is being debated among socialists and social democrats

Waiting for the Wave Tom Flanagan,2009-05-01 In *Waiting for the Wave* Tom Flanagan studies the rapid rise of the Reform Party and presents some fascinating insights into the party and its leaders He corrects two popular misconceptions about Preston Manning that his political philosophy is directly derived from his religious convictions and that he is an extreme right wing conservative Flanagan examines Manning's strategy of populism listening to the common sense of the common people and illustrates how he used this strategy to catch waves of popular discontent to boost support for his party Having held various positions within the party Flanagan is able to portray its inner workings revealing some of the personal ideologies of party members and showing how these conflicted with Manning's strategy of populism

The Limits of Participation Faron Ellis,2005 *The Limits of Participation* Members and Leaders in Canada's Reform Party provides an historical account of the Canadian Reform Party which shattered the established pattern of Canadian party politics in the late twentieth century Faron Ellis provides an analysis of the party's development as it struggled to build an organization capable of bridging the policy demands of its members with the strategic plans of its leaders The book examines the party from the perspective of its members by focusing on the opinion structure of activists who helped found Reform build it into Canada's official opposition and eventually decommission it in pursuit of power

Notley Nation Sydney Sharpe,Don Braid,2016-11-05 When Alberta conservatism came to an end after forty three years with a stunning left wing victory in 2015 it was clear that Rachel Notley and the NDP had achieved the impossible But was this victory so unprecedented Sydney Sharpe and Don Braid explore the NDP breakthrough and how it affected the later federal election

Preston Manning Frank Dabbs,1997 **Changing Prairie Landscapes** Patrick Douaud,Todd A. Radenbaugh,2000 Landscapes of the Northern Great Plains have been constantly changing but never so rapidly as under modern conditions of economic affluence and technological development This change is multifaceted and has an impact not only on the fabric of culture and its perception of landscape but also on the ecology and physical landforms Multidisciplinary research has therefore become an important tool in identifying the influences that human activities have not only on cultural landscapes but on biophysical ones as well This collection of articles originating in a conference held at the Royal Saskatchewan Museum in April 2000 focuses on just such an integration of research concerning the Great Plains of North America and involving the disciplines of geology archaeology biology geography sociology and agriculture

Social Discredit Janine Stingel,2000 In *Social Discredit* Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians

acknowledged the perils of race hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit s anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit s blatant defamation She argues that Congress s ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada Social Discredit offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies [Full Circle: Death and Resurrection In Canadian Conservative Politics](#) Bob Plamondon,2014-11-21 Full Circle tells the dramatic story of how the Canadian conservative movement was fractured in the 1990s and how it was restored to glory and was returned to power in 2006 It recounts the humiliating defeat of the Progressive Conservative Party the rise of the Reform Party and a decade long sojourn for conservatives in the political wilderness It lays out step by step the strokes and counterstrokes the promises made and broken the betrayals and defections within a movement riven by faction Based on meticulous background research and interviews with the key players Full Circle takes the reader behind the scenes in a high octane expos of political machination intrigue and the ultimate battle for survival and supremacy Sweeping in its breadth and scope captivating in its detail Full Circle is the definitive account of this unprecedented period in Canadian political history Even those involved in conservative politics will be shocked by the startling revelations and debunking of popular myths The death and resurrection of Canada s conservative political movement over the past two decades is a story that has never been told from beginning to end until now **The Literary History of Alberta Volume Two** George Melnyk,1998 In this the companion to the landmark volume *The Literary History of Alberta Volume One From Writing on Stone to World War Two* George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of *Writing on Stone* *The Literary History of Alberta Volume Two* extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture *Illustrated History of Canada* Robert Craig Brown,2012 More than ever *The Illustrated History of Canada* is a must have reference guide for all Canadians interested in the history and the future of our country pub desc

Pivot or Pirouette? Tom Flanagan, 2022-10-01 *Pivot or Pirouette* covers both the backstory and the aftermath of the strangest election in Canadian history as told by an insider who was involved in the events before during and after the ballots were cast In the early 1990s a pan Canadian coalition of Tory voters had been splintered by constitutional politics Discontented voters flocked to new regional parties the Conservatives attempted to turn the tide by choosing the first female prime minister but their efforts fell flat In the 1993 election the party was reduced to two seats the separatist Bloc Qu b cois became the official opposition and the Reform Party swept the West Although the shocking results seemed pivotal ultimately the pivot turned into a full pirouette as Canadian politics returned to historical norms new parties shake up the system but are eventually absorbed into it bringing innovation but not transformation You can t understand modern Canadian politics without understanding the 1993 election

God's Province Clark Banack, 2016-06-01 Compared to the United States it is assumed that religion has not been a significant factor in Canada s political development In *God s Province* Clark Banack challenges this assumption showing that in Alberta religious motivation has played a vital role in shaping its political trajectory For Henry Wise Wood president of the United Farmers of Alberta from 1916 until 1931 William Bible Bill Aberhart founder of the Alberta Social Credit Party and premier from 1935 until 1943 Aberhart s prot g Ernest Manning Alberta s longest serving premier 1943 1968 and Manning s son Preston founder of the Alberta based federal Reform Party of Canada religion was central to their thinking about human agency the purpose of politics the role of the state the nature of the economy and the proper duties of citizens Drawing on substantial archival research and in depth interviews *God s Province* highlights the strong link that exists between the religiously inspired political thought and action of these formative leaders the US evangelical Protestant tradition from which they drew and the emergence of an individualistic populist and anti statist sentiment in Alberta that is largely unfamiliar to the rest of Canada Covering nearly a century of Alberta s history Banack offers an illuminating reconsideration of the political thought of these leaders the goals of the movements they led and the roots of Alberta s distinctiveness within Canada A fusion of religious history intellectual history and political thought *God s Province* exposes the ways in which individual politicians have shaped one province s political culture

The Blueprint J.P. Lewis, Joanna Everitt, 2017-01-01 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more *The Blueprint* showcases the renewed vigour in political studies in

Canada while revealing the contradictory story of the modern Conservative Party *Conservatism in Canada* James Farney, David Rayside, 2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially *Conservatism in Canada* explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country **Quill & Quire**, 1993 **Do Conventions Matter?** John C. Courtney, 1995-09-14 *Do Conventions Matter* provides a complete overview of national party conventions in Canada from 1919 when the first convention was held to 1993 including the selection of Stanfield Trudeau Broadbent Clark Mulroney Turner McLaughlin Chr tien Campbell and Manning Courtney compares leadership selection practices in Canada with those in the United States Britain and Australia and shows that Canadian conventions remain a distinctive means of choosing party leaders Focusing on modern developments in the convention process Courtney highlights changes in representation over the last thirty years addresses criticisms about costs and delegate selection practices and examines the role of the media He concludes with an examination of the future of conventions in the context of Canadian democracy given sky rocketing costs the movement to reform political parties and the push towards a universal membership vote He argues convincingly that the objectives of greater representation and greater democracy explain both the emergence of conventions to choose the leaders of federal parties and their possible demise in the near future
