# Storming Heaven Aimee Semple Mcpherson

**Edith Waldvogel Blumhofer**

## **Storming Heaven Aimee Semple McPherson:**

**Storming Heaven** Robert V. P. Steele, 1970      **Aimee Semple McPherson** Edith Waldvogel Blumhofer, 1993-12-22 A religious leader who strongly identified with ordinary folk she attracted hundreds of thousands of loyal followers throughout the United States and Canada

**Storming Heaven** Lately Thomas, 1970      **Aimee Semple McPherson and the Resurrection of Christian America** Matthew Avery Sutton, 2009-07-01 McPherson was the most flamboyant controversial minister in the U S between the world wars building a megachurch a mass media empire and a political career to resurrect what she saw as America s Christian heritage Sutton s study reveals a trail blazing pioneer marking the beginning of Pentecostalism s advance to mainstream American culture

**Sister Aimee** Daniel Mark Epstein, 2018-04-01 The true story of America s first superstar evangelist that fills a significant gap in the history of revivalism The New York Times Book Review Once she answered the divine calling Aimee Semple McPherson rose fast from unfulfilled housewife in Rhode Island to miracle woman the most enigmatic pioneering media savvy Christian evangelist in the country She preached up and down the United States traveling in a 1912 Packard with her mother and her children and without a man to fix flat tires Her ministry was rolled out in tents concert halls boxing rings and speakeasies She prayed for the healing of hundreds of thousands of people founded the Foursquare Church and built a Pentecostal temple in Los Angeles of Hollywood epic dimensions Charlie Chaplin advised her on sets But this is not just a story of McPherson s cult of fame It s also the story about its price exhaustion insomnia nervous breakdowns sexual scandals loneliness and the notorious public disgrace that nearly destroyed her A powerhouse biography of perhaps the most charismatic and controversial woman in modern religious history Sister Aimee is above all the life story of a unique woman of the power of passion that rejects compromise and a faith that would not be shaken Kirkus Reviews Told with insight empathy and lyrical power Daniel Mark Epstein sees the facts and feels the mystery and he has written a remarkable book Los Angeles Times

**Women on the Front Lines** Michal Ann Goll, 2011-07-28 History is filled with women who have dramatically changed the world Their sacrifices passion and fire still inspire us today These pages highlight the lives of nine such women ordinary women women who struggled with choices and the convictions of their hearts Today women still face the same choices issues and dilemmas Each day brings an opportunity to impact the lives around you the chance to change the history of your generation As you read about these women and the choices they made may you too be inspired to heed the call to courage and step up to the front lines of faith hope and love

**Sword of the Spirit, Shield of Faith** Andrew Preston, 2012-02-28 A richly detailed profoundly engrossing story of how religion has influenced American foreign relations told through the stories of the men and women from presidents to preachers who have plotted the country s course in the world Ever since John Winthrop argued that the Puritans new home would be a city upon a hill Americans role in the world has been shaped by their belief that God has something special in mind for them But this is a story that historians have mostly ignored Now in the first authoritative work on the subject

Andrew Preston explores the major strains of religious fervor liberal and conservative pacifist and militant internationalist and isolationist that framed American thinking on international issues from the earliest colonial wars to the twenty first century He arrives at some startling conclusions among them Abraham Lincoln s use of religion in the Civil War became the model for subsequent wars of humanitarian intervention nineteenth century Protestant missionaries made up the first NGO to advance a global human rights agenda religious liberty was the centerpiece of Franklin Roosevelt s strategy to bring the United States into World War II From George Washington to George W Bush from the Puritans to the present from the colonial wars to the Cold War religion has been one of America s most powerful sources of ideas about the wider world When just days after 9 11 George W Bush described America as a prayerful nation a nation that prays to an almighty God for protection and for peace or when Barack Obama spoke of balancing the just war and the imperatives of a just peace in his Nobel Peace Prize acceptance speech they were echoing four hundred years of religious rhetoric Preston traces this echo back to its source Sword of the Spirit Shield of Faith is an unprecedented achievement no one has yet attempted such a bold synthesis of American history It is also a remarkable work of balance and fair mindedness about one of the most fraught subjects in America

*American Denominational History* Keith Harper, 2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups

*American Denominational History* points the way for the next decade of scholarly effort

**The Maimie Papers** Maimie Pinzer, 1997 An astonishing book Maimie wrote like a dream New York Times Book Review

**Material Dreams** Kevin Starr, 1990-04-12 Kevin Starr is the foremost chronicler of the California dream and indeed one of the finest narrative historians writing today on any subject The first two installments of his monumental cultural history Americans and the California Dream have been hailed as mature well proportioned and marvelously diverse and diverting The New York Times Book Review and rich in details and alive with interesting and sometimes incredible people Los Angeles Times Now in *Material Dreams* Starr turns to one of the most vibrant decades in the Golden State s history the 1920s when some two million Americans migrated to California the vast majority settling in or around Los Angeles In a lively and eminently readable narrative Starr reveals how Los Angeles arose almost defiantly on a site lacking many of the advantages required for urban development creating itself out of sheer will the Great Gatsby of American cities He describes how William Ellsworth Smyth the Peter the Hermit of the Irrigation Crusade the self educated Irish engineer William Mulholland who built the main aqueducts to Los Angeles and George Chaffey who diverted the Colorado River transforming desert into the lush Imperial Valley brought life supporting water to the arid South He examines the discovery of oil the boosters and land developers the evangelists such as Bob Shuler the Methodist Savanarola of Los Angeles and Aimee Semple McPherson and countless other colorful figures of the period There are also fascinating sections on the city s architecture the impact of the

automobile on city planning the Hollywood film community the L A literati and much more By the end of the decade Los Angeles had tripled in population and become the fifth largest city in the nation In Material Dreams Starr captures this explosive growth in a narrative tour de force that combines wide ranging scholarship with captivating prose **Rites in the Spirit** Daniel E. Albrecht, 1999-12-01 Rites in the Spirit is a book about spirituality ritual and Pentecostal experience The volume presents a careful and innovative study of Pentecostal practices and experiences Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape nurture authenticate and even transform the spiritual lives of these Christians Rites in the Spirit seeks to guide Pentecostals and the charismatically inclined toward self interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions Encyclopedia of American Women and Religion June Melby

Benowitz, 2017-08-18 This two volume set examines women s contributions to religious and moral development in America covering individual women their faith related organizations and women s roles and experiences in the broader social and cultural contexts of their times This second edition of Encyclopedia of American Women and Religion provides updated and expanded information from historians and other scholars of religion covering new issues in religion to better describe and document women s roles within religious groups For instance the term evangelical feminism is one newly defined aspect of women s involvement in religious activism Changes are constantly occurring within the many religious faiths and denominations in America particularly as women strive to gain positions within religious hierarchies that previously were exclusive to men and rise within their denominations to become theologians church leaders and bishops The entries examine the roles that American women have played in mainstream religious denominations small religious sects and non traditional practices such as witchcraft as well as in groups that question religious beliefs including agnostics and atheists A section containing primary documents gives readers a firsthand look at matters of concern to religious women and their organizations Many of these documents are the writings of women who merit entries within the encyclopedia Readers will gain an awareness of women s contributions to religious culture in America from the colonial era to the present day and better understand the many challenges that women have faced to achieve success in their religion related endeavors

Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926 Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop saloons livery stables and railroad freight yards One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well In a global context Pentecostalism has attained a membership of 500 million

growing at the rate of 20 million new members a year Aimee Semple McPherson born on a Canadian farm was Pentecostalism's first celebrity its female Billy Sunday Arriving in Southern California with her mother two children and 100 00 in 1920 Sister Aimee as she was fondly known quickly achieved the height of her fame In 1926 by age 35 Sister Aimee would pastor America's largest class A church perhaps becoming the country's first mega church pastor In Los Angeles she quickly became a folk hero and civic institution Hollywood discovered her when she brilliantly united the sacred with the profane Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe council Jean Harlow and become friends with Charlie Chaplain Douglas Fairbanks and Mary Pickford Based on the biographer's first time access to internal church documents and cooperation of Aimee's family and friends this major biography offers a sympathetic appraisal of her rise to fame revivals in major cities and influence on American religion and culture in the Jazz Age The biographer takes the reader behind the scenes of Aimee's fame to the early days of her harsh apprenticeship in revival tents failed marriages and poverty Barfoot recreates the career of this called and driven woman through oral history church documents and by a creative use of new source material Written with warmth and often as dramatic as Aimee herself the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion

The Healer-prophet C. Douglas Weaver, 2000 This study of William Marrion Branham's ministry reveals much about the healing methodology of deliverance evangelists Branham's theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene Branham is acknowledged as a leader of the healing revival movement Although little known outside of the Pentecostal movement his work had tremendous influence on today's televangelists and the whole of Pentecostalism itself

Defining Moments: Aimee Semple McPherson Bill Johnson, Jennifer Miskov, 2019-04-09 Each individual Defining Moments ebook is a fascinating look at the remarkable ways in which God has used an ordinary person to change history But it is about more than history alone it illuminates the present and unveils the future Prophetic in nature it reveals how God wants to work in each of our lives to fulfill His purposes today tomorrow and in the years to come The stories in the Defining Moments collection of God encounters carry a prophetic anointing for all who have ears to hear Author Bill Johnson highlights the significant traits and contributions of many well known revival leaders including John Wesley Charles Finney Dwight L Moody Maria Woodworth Etter Carrie Judd Montgomery Smith Wigglesworth John G Lake Evan Roberts Rees Howells Aimee Semple McPherson Kathryn Kuhlman Randy Clark and Heidi Baker He explains the impact these leaders can have on us today as we respond to the life changing truths revealed through their life stories There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives It is a power that inspires us to hunger for God in such a way that we too will have an encounter with Him that launches us into the world of the impossible enabling

us to fulfill a greater measure of our destiny Read this ebook with a sense of readiness and watch what happens     The Encyclopedia of Religious Phenomena J Gordon Melton,2007-09-01 An inspiring and fascinating look at people s religious experiences and beliefs Visions of Mary and glimpses of God Miraculous apparitions witnessed by hundreds in parking lots along freeways and at the world s holiest sites Weeping statues exorcisms near death experiences mystical labyrinths and more than 250 other unusual and unexplained phenomena apparitions and extraordinary experiences rooted in religious beliefs are explored in The Encyclopedia of Religious Phenomena J Gordon Melton the Distinguished Professor of American Religious History at the Institute for Studies of Religion Baylor University takes readers on a tour among angels Marian apparitions and religious figures such as Jesus the Buddha Muhammad and Tao Tzu Melton reports on dreams feng shui statues that bleed snake handling speaking in tongues stigmata relics including the Spear of Longinus and the Shroud of Turin and sacred locales such as Easter Island the Glastonbury Tor the Great Pyramids Mecca Sedona and much more Each entry includes a description of a particular phenomenon and the religious claims being made about it as well as a discussion of what scientists say about it Transcending the mundane the entries take no sides on who is right or wrong the journey is the experience and the experience is the journey This fascinating encyclopedia is illustrated with 100 pictures and includes a detailed index and additional reading recommendations It lets you experience the marvels of weeping statues and icons exorcisms and ecstasy the grilled cheese sandwich kit for making your own Virgin Mary image and so much more     Women in Christian History Carolyn DeArmond Blevins,1995 For much of Christian history the role of women in the life of the church both local and universal has been downplayed overlooked or simply denied Such a state of affairs of course also denies the testimony of the church s Scriptures regarding the key role women played in Jesus own ministry and that of the early church It denies or deliberately overlooks the significant role of women in the life of the church throughout the church s history down to and including the present day In recent years such denial of the significant place of women in Christian history of course has been addressed But nowhere is there available a more comprehensive bibliography than the present one compiled by Carolyn Blevins The reach of Blevins s bibliography is wide from the earliest church to present times across every ethnic and national boundary and throughout virtually every segment of the church Catholic and Protestant and stripes in between or beyond This is in many ways but a beginning place Yet with the help of Blevins s good work students teachers researchers historians and all other seekers after the significant place of women in Christian history have indeed a place to make a good beginning     *The Workshop of Democracy, 1863-1932* James MacGregor Burns,2012-04-10 DIVDIVThe second volume of Burns s acclaimed history of America from the end of the Civil War to the beginning of the Great Depression divDIV divDIVAbraham Lincoln s Gettysburg Address pointed to a new way to preserve an old hope that democracy might prove a vibrant and lasting form of government for people of different races religions and aspirations The scars of the Civil War would not soon heal but with that one short speech the president held out the possibility that such a nation might not simply

survive but flourish The Workshop of Democracy explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states the shattering tragedy of the First World War the explosion of industry and in the end the emergence of the United States as an new global power

**Religion in the Modern American West** Ferenc Morton Szasz, 2002-01-01 When Americans migrated west they carried with them not only their hopes for better lives but their religious traditions as well Yet the importance of religion in the forging of a western identity has seldom been examined In this first historical overview of religion in the modern American West Ferenc Szasz shows the important role that organized religion played in the shaping of the region from the late nineteenth to late twentieth century He traces the major faiths over that time span analyzes the distinctive response of western religious institutions to national events and shows how western cities became homes to a variety of organized faiths that cast only faint shadows back east While many historians have minimized the importance of religion for the region Szasz maintains that it lies at the very heart of the western experience From the 1890s to the 1920s churches and synagogues created institutions such as schools and hospitals that shaped their local communities during the Great Depression the Latter day Saints introduced their innovative social welfare system and in later years Pentecostal groups carried their traditions to the Pacific coast and Southern Baptists among others set out in earnest to evangelize the Far West Beginning in the 1960s the arrival of Asian faiths the revitalization of evangelical Protestantism the ferment of post Vatican II Catholicism the rediscovery of Native American spirituality and the emergence of New Age sects combined to make western cities such as Los Angeles and San Francisco among the most religiously pluralistic in the world Examining the careers of key figures in western religion from Rabbi William Friedman to Reverend Robert H Schuller Szasz balances specific and general trends to weave the story of religion into a wider social and cultural context Religion in the Modern American West calls attention to an often overlooked facet of regional history and broadens our understanding of the American experience

**The Scopes Trial** Randy Moore, Susan E. Brooks, 2022-12-16 The 1925 trial of John Scopes in tiny Dayton Tennessee remains a defining moment in American history This trial of the century a media event before the term was coined addressed issues that still affect our society today such as control of the school curriculum the ongoing tensions between science and faith in public schools and the ramifications of teaching evolution and human origins This book is the first encyclopedic treatment of the Scopes Trial The text draws on media reports family interviews and Scopes personal correspondence providing new information and perspectives The book includes previously unseen photos and information about Scopes and his relatives as well as insights about the trial s instigators participants and issues all organized in a concise and easily accessible format

## The Enigmatic Realm of **Storming Heaven Aimee Semple Mcpherson**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Storming Heaven Aimee Semple Mcpherson** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
