Vacationing on the Jersey Shore Charles A. Stansfield,2004 Nature and history at the shore Visitor s guide to the resorts Color postcard views vintage and modern photos and detailed maps **King Arthur's Battle for Britain** Eric Walmsley,2013-01-01 For the first time convincing locations have been found for all King Arthur s battles The inspiration for King Arthur s Battle for Britain came from Eric s discovery of an ancient Latin text in the British Library that listed the

twelve battles of King Arthur This presented an immediate challenge because only a few of the battle sites mentioned had been previously identified After a decade searching mountains and moors throughout Britain guided by references from early sources Eric believes he has found convincing locations for all of Arthur s battles By developing an imaginary scenario for each battle in the chronological order of the text a believable storyline has emerged depicting Arthur s struggle to defend his country against nine different enemies including dissident Britons as well as the invading Angles and Saxons Eric has also discovered that it was Arthur s own kith and kin who plotted his demise at the battle of Camlan By linking clues interwoven with early poetry and legendary texts Eric has been able to suggest the name of the Romano British city most likely to have been King Arthur s Camelot and has also identified the site of Arthur s military headquarters in the west His search for new evidence confirms the location of Camlan and reveals the real Isle of Avalon where Arthur was finally laid to rest King Arthur s Battle for Britain will appeal to anyone interested in the Arthurian period and the legend of King Arthur Eric has been inspired by Geoffrey Ashe s *The Quest for Arthur s Britain* and John Morris *The Age of Arthur*

Love Among the Ruins Warwick Deeping,1904 The branches of the forest invoked the sky with the supplications of their thousand hands Black tumultuous terrible the wilds billowed under the moon stifled with the night silent as a windless sea Winter like a pale Semiramis of gigantic mould stood with her coronet touching the steely sky A mighty company of stars stared frost bright from the heavens A pillar of fire shone red amid the chaos of the woods Like a great torch a blazing tower hurled spears of light into the gloom Shadows vast and fantastic struggled like Titans striving with Destiny in the silence of the night Their substanceless limbs leapt and writhed through the gnarled alleys of the forest Overhead the moon looked down with thin and silver lethargy on the havoc kindled by the hand of man

Riding out the Storm Sherridean Abddeen,2025-09-14 In the near future the coastal city of Avalon Heights has just survived a decade of crime waves and corruption scandals The city is clean hopeful and completely unprepared for what s coming Dr Sera Locke a brilliant but haunted climate scientist discovers that a monstrous storm the first unofficial Category 6 is heading straight for the coast But what chills her more than the storm s power is the data trail showing that its intensity may not be natural at all When she leaks the information she becomes a target of the very agency meant to protect the public Soon she s running for her life alongside Miles Rainer a former federal agent with his own dark past and Lena Vega a journalist known for exposing high level cover ups As the storm tears through Avalon Heights the trio must fight to survive while uncovering a conspiracy involving geoengineering experiments corporate greed and government negligence Looting power grid collapse and lawlessness turn the flooded city into a war zone Betrayal comes from allies they thought they could trust and love blossoms in the most dangerous corners of survival By the time the skies clear Avalon Heights is unrecognizable but the truth has been broadcast to the world The question is whether anyone will be alive to rebuild
