Stormy Petrel Albert Hocking:

Stormy Petrel Patricia Hocking, 1990 Biography of Albert Hocking by his daughter in law Mayor of Camberwell Victoria in the 1920s and controversial Country Party member of the Victorian Parliament in the thirties Hocking was also a central figure in the development of the State Bank *The Victorian Premiers, 1856-2006* Paul Strangio, Brian J. Costar, 2006 In the century and a half since Victoria was granted responsible government in 1856 44 premiers have presided over the state and colony from Honest William Haines to Steve Bracks Here is their story For the first time this book brings together a comprehensive collection of biographical and political portraits of the Victorian premiers written by leading Australian historians and political scientists The result is a compelling journey through a turbulent occasionally anarchic political landscape A cast of fascinating characters is brought to life the mercurial Graham Berry who in the 1870s threatened broken heads and flaming houses in his heroic struggle to tame the colony's intractably conservative upper house the roguish Tommy Bent the turn of the century can do premier whose development enthusiasms were unhindered by probities of office the bohemian Tom Hollway who conducted Victoria's affairs from his suite in the Windsor Hotel the accidental leader Henry Bolte who became Victoria's longest serving premier and the larrikin metropolitan Jeff Kennett who turned the state into a neo liberal laboratory in the 1990s A tale of premiers the book is also a narrative of politics in a state that has vied with New South Wales as Australia's most prosperous and powerful It recounts many extraordinary episodes the precocious development of democracy in a fledgling colony turned upside down by gold immigrants the titanic bicameral struggles of the 1860s and 1870s that brought Victoria to the brink of insurrection the bank crashes of the 1890s the police strike of 1923 the great Labor split of the 1950s the hanging of Ronald Ryan in 1967 the social democratic adventurism of the Labor decade of the 1980s brought to a shuddering halt by another era of financial collapses and the neo liberal experimentalism of the Kennett government This carefully researched and engagingly written book will leave the reader in no doubt that politics in the Garden State has seldom been sedate and its premiers rarely predictable **Journeyings** Janet McCalman, 2015-09-07 Journeyings begins with a tram journey the sixty nine tram collecting boys and girls from Melbourne's middle class heartland on their first day of school for 1934 It marks the beginning of an extraordinary journey through Australian private life that commences with the gold rushes of the 1850s and concludes in our own time tracing the life journeyings of a generation of boys and girls from four of Melbourne's legendary private schools In an engrossing and highly original exploration of one of the most neglected subjects in Australian social history the middle class Janet McCalman has produced a worthy successor to her acclaimed portrait of working class life Struggletown **On The World Of The Sixty-Nine Tram** Janet McCalman, 2016-03-22 Janet McCalman writes about people and the environments events and forces that shape them This extract from her award winning book Journeyings The Biography of a Middle Class Generation 1920 1990 is a vivid account of the school years of Australians who were young in the 1930s and are grandparents and great grandparents now
