his complicated business dealings with Judge Silent and his attempts to recoup his family's sagging fortune. Here especially Lily outlines a telling profile of her father, a man roundly castigated then and now as a carpetbagger less interested in promoting Arizona's interests than his own. For students of western history, Lily Fr. mont's diary provides a wealth of fresh information on frontier politics, mining, army life, social customs, and ethnicity. For all readers, her words from a century ago offer new perspectives on the winning of the West as well as fascinating glimpses of a world that once was and is no more.

But she soon finds that managing Rancho Arroyo and its continually mounting problems exacts its toll. Problems that are not at all helped by the commanding presence of Derek Bannon, Owner of the Golden Lasso, the neighboring ranch and vacation hotspot. Derek is determined to buy Jan out, and he's not taking no for an answer. But as the rivals lock horns and the battle becomes increasingly personal, Jan realizes that it's not just her business that's at stake but also her heart. Cover verso.
