Stormy Relationship:

Can Your Relationship Be Saved? Michael S. Broder, 2002 The title of this book captures one of the most commonly explored issues that I have dealt with in my office over the past three decades as a practicing clinical psychologist Thus begins Dr Broder's wise and compassionate guide to assessing a faltering love relationship and answering the fundamental question asked by the book's title Broder addresses individuals and couples in marriages or any other type of love relationship or romance long or short term and of any sexual orientation His 40 item Can Your Relationship Be Saved Inventory asks the rights questions But readers are not left there The chapters that follow gently guide them in exploration of what is likely to happen if What if I go What if I stay Readers will find direction in answering those questions for themselves and the information and strategies to help them act on their decisions Can Your Relationship Be Saved speaks in a warm unabashedly upbeat and optimistic manner directly to the painful ambivalence that results when you are unable to determine how you really feel Broder's guidance is packed with practical road maps and direction finders avoiding glibness clichés platitudes or someone else's value judgments that will rarely hold up for you in the end

on mothers with mental illness and the creation of more services tailored to their needs Transformational Reminiscence

John A. Kunz, Florence Gray Soltys, 2007-04-23 As recently as fifty years ago people believed that reminiscing was a sign of senility. Today, along with a greater understanding of the significance of reminiscence, we have seen the rising popularity of private memoirs in various forms, from oral histories by universities to audio and videotapes for family archives. John A. Kunz and Florence Gray Soltys have made a major contribution to the field by providing a framework for individuals and groups engaged in this enriching and important work. Robert N. Butler, MD. Finally, a book that takes a big picture look at the complexities of using life story work with older adults. Using the life story matrix as a framework, the authors and their contributors cover the complexities of reminiscence and life review techniques and advice for making a personal story public and the delicate balance of when to focus on content and when the process of telling one's life story can be therapeutic or destructive. Transformational Reminiscence teaches the reader how to use the full spectrum of life story approaches to enhance quality of life for older adults, ameliorate social and psychological problems, and intervene if they occur. Practical applications, anecdotes, exercises that help clarify the experiential side of the content, and helpful suggestions enhance each chapter and ensure a safe and ethical application of this technique. This book is a must read for anyone who uses a life story approach in his or her work with older adults or is teaching or supervising others in doing so. The Resilient Couple:

Navigating Together Through Life Lynn Levy, Ph.D., 2016-11-02 Challenging events occur in the lives of most couples, but when two therapists are confronted with what can only be described as a tsunami in their lives, bedlam and chaos could easily have set in. Instead, they reveal how they navigated through the challenges and transformed it into an opportunity for self-discovery and growth, independently and as a couple. This book addresses the enormous obstacles they faced from a personal perspective but also contains the insights and practical advice learned from years as therapists, clinicians, educators, and marital partners. Unlike any other relationship handbook, the authors' challenges are revealed from the unique perspective of personal thoughts and feelings, how they negotiated their dilemma, and renegotiated the future, all told from the viewpoint of "He said," "She said," "We said," and "Lessons Learned." Readers will be offered a recipe for how couples can survive their own tsunamis, told with humor and poignant anecdotes. Once read, it will become the book couples repeatedly refer to when they hit the inevitable roadblocks that emerge throughout the life course, helping them to recapture the love and optimism of the first "I love you," the proposal, and their wedding day. **Shadows in the Sun**

Betty Davies, 2015-12-22 **Shadows in the Sun** covers the immediate short and long term responses and subsequent generational effects of sibling bereavement and discusses sibling responses in the context of the variables which influence them. The final chapter synthesizes all that has gone before into a comprehensive model of sibling bereavement. Practical guidelines are offered for those who seek to help grieving siblings, children, and families. **Postcolonialism, Diaspora, and Alternative Histories**

Tony Williams, 2015-05-01 This volume offers the first comprehensive survey of the cinema of Evans Chan, a New York-based

playwright author and filmmaker whose acclaimed films include *To Live*, *The Map of Sex and Love* and *Datong*. In this collection of essays on Chan's documentary and feature films, seven experts on cultural and film studies examine the unique blending of fictional representation, historical investigation and critical essayism that characterize Chan's oeuvre. They discuss how Chan's work brings out the contradictory nature of the distant and recent past through his exploration of Hong Kong's rapid transformation before and after reunification with China in 1997. The volume concludes with an interview with Evans Chan on his work to date and includes two DVDs containing five of his most important films. The book will appeal to scholars and students who are interested in China and Hong Kong cinema, postcolonial studies, cultural studies and diaspora studies. Covering a broad range of topics and issues that shed light on the aesthetic, sociopolitical and intellectual dimensions of Chan's work, the individual chapters contribute to a collective reflection on the formal qualities of Chan's cinematic art; in particular, his creative use of the film essay as a mode of artistic expression. The essays have sought out the latent aesthetic and intellectual impulses that inform Chan's cinematic vision. Vivian Lee, author of *Hong Kong Cinema Since 1997: The Post-Nostalgic Imagination*. This fascinating anthology is a much needed examination of Chan's eminent yet underappreciated cinema. The volume illuminates his filmmaking from a number of angles, enriching our understanding of his complex engagement with Chinese politics, history and the essay film. Capped by a comprehensive interview with Chan himself, this indispensable volume does full justice to one of Hong Kong's most literate and literary filmmakers. Gary Bettinson, author of *The Sensuous Cinema of Wong Kar-wai* and editor of the journal *Asian Cinema*.

Crisis Lee Ann Hoff, 2014. The goal of this book is to provide a base level of understanding of emotional crises: what triggers them, how to spot warning signs and how to respond in the event of one. We are more prone to slip into crisis at certain points in our life: major life changes, both planned and unexpected, and at normal developmental stages, and this book will better prepare us to safely navigate these moments for ourselves and others.

A Journey to Self-Love White Gerbra, 2016-09-14. *A Journey to Self-Love* is a love story about a very sensitive girl, Sylvia, who grew up feeling lost and unloved by her parents while also struggling to cope with their abusive relationship at home. In her teenage years, she meets Lesley, the love of her life, who soon just seems to mirror back how she really feels about love and herself. Her life then turns into a rollercoaster of mixed emotions: love, adultery and near-death experiences. Read how she grew strong from a life where, at some point, death seemed as her only option. This book is full of life lessons from growing out of abusive relationships into stronger self-confidence, inner peace and self-love, all based on a true story.
