Panic Brooke Warner, Leonard Schmidt, 2002-08-14 Panic is not a single state with only one set of feelings and predictable emotions The essays and articles in this book span various disciplines psychology medicine literature and history tied together by the common thread of panic including how it is manifested in culture tradition and experience and its differing treatments Included are original as well as previously published writings by Peter A Levine Paul Pitchford and Kim Newman **The Cambridge Companion to the American Short Story** Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day Rather than define what the short story is as a genre or defend its importance in comparison with the novel this Companion seeks to understand what the short story does how it moves through national space how it is always related to other genres and media and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies The chapters offer authoritative introductions and reinterpretations of a literary form that has re emerged as a major force in the twenty first century public sphere dominated by the Internet *The Story and Its Writer with 2016 MLA Update* Ann Charters, 2016-12-02 Get the most recent updates on MLA citation in a convenient 40 page resource based on The MLA Handbook 8th Edition with plenty of models Browse our catalog or contact your representative for a full listing of updated titles and packages or to request a custom ISBN Ann Charters has an acute sense of which stories work most effectively in the classroom and knows that writers not editors have the most interesting and useful things to say about the making and the meaning of fiction Instructors look forward to every new edition of her bestselling anthology to see what stories her constant search for new fiction and neglected classics will turn up To complement the stories Charters includes her signature innovation an array of the writers own commentaries on the craft and traditions of fiction For in depth illustrated studies of particular writers or genres her Casebooks provide unparalleled opportunities for discussion and writing The new ninth edition features many very recent stories and commentaries by up and coming writers a new Casebook on the important genre of Magical Realism and expanded coverage of close reading **The Story and Its Writer** , 1990 **The**

Geographies of African American Short Fiction Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction

The Short Story Ailsa Cox, 2009-03-26 Long regarded as an undervalued and marginalised genre the short story is undergoing a renaissance The Short Story celebrates its unique appeal Practitioners and scholars address the issues facing short story criticism in the 21st century Author A L Kennedy shares the pleasures and frustrations of writing the short story in the literary marketplace This is followed by an assessment of recent attempts to promote short story readership in the UK Other contributors look at forms such as the short short and the short story sequence The range of authors discussed includes Martin Amis Anita Desai Salman Rushdie and James Joyce The short story is the most international of genres this is reflected in chapters on Jorge Luis Borges and Italo Calvino and on Japanese short fiction Postcolonial and translation theory are combined with the close reading of specific texts Neglected authors such as the Welsh writer Dorothy Edwards and the colonial figure Frank Swettenham are re evaluated and we also consider genre writing with chapters on crime fiction and Ray Bradbury's Martian Chronicles Integrating theory and practice The Short Story will appeal both to writers and to students of literary criticism
