T. Joshi,2016-05-10 This original anthology presents 19 short stories that cover nearly a century of speculative fiction by women authors Selections range from Mary Shelley's Transformation 1830 a pendant to Frankenstein in its themes and motifs to Where Their Fire Is Not Quenched 1922 by May Sinclair a tale of time travel that follows its heroine to Hell and back Gripping narratives include Virginia Woolf's A Haunted House in which a ghostly couple revisit their former home A Wedding Chest by Vernon Lee a story of romance and revenge that unfolds in Renaissance Italy and Charlotte Perkins Gilman's The Yellow Wallpaper recounting a woman's psychic possession by the previous occupant of her attic bedroom Additional tales include E Nesbit's From the Dead The Eyes by Edith Wharton Elizabeth Gaskell's Curious If True and many others Editor S T Joshi offers an extensive Introduction as well as notes on each of the authors **The Reception of Laurence Sterne in Europe** Peter Jan de Voogd,John Neubauer,2004-06-18 A comprehensive volume of international research on the European reception of Laurence Sterne **The Oxford Guide to Literature in English Translation** Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the

process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

A Primer of the Novel David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's A Primer of the Novel For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

The Virgin of the Seven Daggers Vernon Lee, 2008-10-02 He lusts and kills in equal measure The brutal Don Juan an unrepentant sinner makes a pact with the Virgin of the Seven Daggers He promises to forever proclaim her supreme beauty and asks that in return she save him from damnation Emboldened by the deal and driven by insatiable greed he embarks on a necromantic journey to an enchanted palace beneath the Alhambra In an orgy of beasts demons and slumbering infantas Don Juan is called upon to uphold his side of the bargain and in doing so lose everything his lustful heart desires

Hauntings and Other Fantastic Tales Vernon Lee, 2006-04-11 Vernon Lee writes in the Preface to Hauntings My ghosts are what you call spurious ghosts of whom I can affirm only one thing that they haunted certain brains and have haunted among others my own First published in 1890 Lee's most famous volume of supernatural tales occupies a special place in the literature of the fantastic for its treatment of the

femme fatale and the allure of the past along with the themes of thwarted artistic creativity and psychological obsession This collection which includes the four stories originally published in *Hauntings* and three others enables readers to consider Lee's work anew for its subtle redefinitions of gender and sexuality during the Victorian fin de siècle The appendices which include extensive excerpts from writings by Lee's predecessors and peers including Algernon Charles Swinburne Walter Pater and Lee's brother Eugene Lee Hamilton allow the reader to see how Lee takes on the themes and preoccupations of the late Victorian period but adapts them to her own purposes
