Wright, 1996-03-27 Irresistible stories of how a leading animal behaviorist diagnoses and treats cat behavior problems

Considered one of the country's leading animal behaviorists, Dr. John Wright has spent the last decade making house calls on problem pets. He diagnoses the cause of the problem behavior and then works with owners to find an appropriate treatment. This book, an engaging account of his work with misbehaving felines, is at once funny, charming, and highly informative. Readers will learn why cats refuse to use their litter boxes, scratch and bite, go through sudden personality changes, react in different ways to different people and other animals, and behave the way they do, and they'll find out what works and what doesn't work when it comes to kitty discipline. The result is a book no cat lover will want to miss. *For the Love of A Cat*

David St. John Thomas, 2010-09-09 Few people can appreciate the joy that being owned by a cat brings better than David St. John Thomas, the latest in a long line of publishers and authors to pay homage to the very special cats who have entered their busy lives. This is a book for everyone who really cares about cats. Vividly written, sometimes serious, sometimes light-hearted, anyone who has fallen for a cat, however much against their better judgment, is bound to find it uplifting. While cat people are nice, Hitler couldn't stand them; the real heroes in this book are naturally the cats themselves. A rich portfolio of feline characters, including the author's own cats, step off the page or perhaps lie curled in seductive curves on it so vividly that you can feel their fur and hear their purr. Rich in entertaining anecdotes and asides, *For the Love of a Cat* will enhance every cat owner's understanding of their feline friend and remind them again and again just how lucky they are to share their lives with this most fascinating of creatures. *Tilly: The Ugliest Cat* Celia Haddon, 2012-06-06 Tilly has spent most of her adult life in an Oxfordshire shelter, unchosen, unwanted, and practically feral. Seeking a distraction from her own troubles, the author and renowned pet columnist Celia Haddon begins a project to transform Tilly into a household pet. Through Tilly's journey from unwanted and unadoptable cat to adored pet, Celia begins to explore her own inward journey and the way that cats had helped her through the difficulties of childhood and middle age through to self-knowledge. By loving Tilly, she found she could love her inner self.
