down upon a city on the western shore of the Caspian It was a primitive city and yet its size and population rendered it worthy of the term It consisted of a vast aggregation of buildings which were for the most part mere huts Among them rose however a few of more solid build and of higher pretensions These were the abodes of the chiefs and great men the temples and places of assembly But although larger and more solidly built these buildings could lay no claim to architectural beauty of any kind but were little more than magnified huts and even the king s palace was but a collection of such buildings closely adjoining each other The town was surrounded by a lofty wall with battlements and loopholes and a similar but higher wall girt in the dwellings of the king and of his principal captains The streets were alive with the busy multitude and it was evident that although in the arts of peace the nation had made but little progress they had in every thing appertaining to war made great advances Most of the men wore helmets closely fitting to the head and surmounted by a spike These were for the most part composed of hammered brass although some of the headpieces were made of tough hide studded with knobs of metal

[The Cat of Bubastes: A Tale of Ancient Egypt](#) G. A. Henty, 2010-10-08 An Amazon Review This book was exciting from the very beginning until the very end I thought it was one of the best books I've ever read It is about a Rebu Prince who lost his kingdom his father his family and his home to the Egyptians in battle and was taken captive to Egypt There he was made a slave with his friend Jethro But he was not sad there for he was chosen by the high priest of the temple of the god Osiris Amuba the Prince made a friend at the priest's house called Chebron The main part was when they were outside trying to shoot a hawk who was killing all the water fowl They both fired their bow and arrows Since the prince had been in a battle he hit the hawk but Chebron who had never been in a battle before missed and killed the sacred cat In Egypt if you kill a cat you will be killed From that point on in the story things get exciting People die battles happen the Prince and his comrades flee In the end Chebron is saved because of the heroics of his friends I rate this book a 5 star If you want any kind of book just read this one
