Book A. H. Noe,2017-01-04 Although much prejudice exists as to the origination of Dreams and the various interpretations given them the fact is incontrovertible that they have in all ages and among all nations borne a conspicuous part in shaping destinies Both sacred and profane history is replete with dreams which have had more or less influence upon the lives of the dreamers Innumerable are the instances in which have been prefigured in dreams occurrences that have actually taken place and many dangers have been averted by heeding warnings given during sleep Of course it would be unwise to place full credence in the prognostications of all dreams and equally so to totally disregard them To both the educated and the illiterate dreams of whatever nature point a moral and those who heedlessly ignore their lessons often experience cause for regret Appended will be found a succinct compendium of the scientific and philosophic researches of many gifted in the art of divination Acquaintance To dream that you fight with them signifies distraction especially if the person so dreaming be sick Adversary To dream that you receive obstruction from him shows that you will dispatch your business speedily Adultery For a person to dream that they have committed it shows they will meet great contentions and disputes Almonds To dream one sees or eats almonds signifies difficulties and trouble Alms To dream that they are begged of you and you deny to give them shows want and misery to the dreamer but to dream you give them freely is a sign of joy and gladness Anchor To dream you see one signifies great assurance and certain joys Altar To dream you uncover or discover an altar betokens joy and gladness Angel To dream you see angels is good but to speak with or call upon them is evil Anger To dream that you have been provoked to anger shows that you have powerful enemies Angling To dream that you are angling betokens much affliction
