Benedict XVI: His Life and Thought Elio Guerriero,2018-10-17 In these pages Benedict XVI shares his reasons for retiring from the papacy in 2013 in an interview with the author Many saw his astonishing retirement as a sign of the Church s decline but he intended it as a seed sown in the hope of bringing the Church a younger more vigorous leadership in the face of daunting challenges Among those challenges are the financial and sexual scandals that continue to undermine the Church s mission When Ratzinger was elected Pope in 2005 he opened a path of purification for the Church while calling upon the Western world to return to its Christian roots and to build a new humanism for the twenty first century and his call for renewal is still relevant Widely recognized as one of the most important theologians and spiritual leaders of our time Joseph Ratzinger served throughout the papacy of John Paul II as the Prefect of the Congregation for the Doctrine of the Faith Both

The Caroline Divines and the Church of Rome Mark Langham,2017-10-04 In the early seventeenth century as the vehement aggression of the early Reformation faded the Church of England was able to draw upon scholars of remarkable ability to present a more thoughtful defence of its position The Caroline Divines who flourished under King Charles I drew upon vast erudition and literary skill to refute the claims of the Church of Rome and affirm the purity of the English religious settlement This book examines their writings in the context of modern ecumenical dialogue notably that of the Anglican Roman Catholic International Commission ARCIC to ask whether their arguments are still valid and indeed whether they can contribute to contemporary ecumenical progress Drawing upon an under used resource within Anglicanism s own theological history this volume shows how the restatement by the Caroline Divines of the catholic identity of the Church prefigured the work of ARCIC and provides Anglicans with a vocabulary drawn from within their own tradition that avoids some of the polemical and disputed formulations of the Roman Catholic tradition
